Comments: Member of the National Animal ID. Do not agree with Grant Jefferies Ministries on the Animal Issue. Things that he has said on TBN has alot of Christians questioning the credibilities of Grant Jefferies Ministries and also TBN. The reputation of TBN is in jeopardy. Several people have tried to contact Grant Jefferies Ministries and there is no contact for them....IS IT REALLY A MINISTRY OF GOD???????? Also many people have contacted TBN and have got no response. No one has even offered to pray with them.

Comments: I would like to request a weekly showing of Mark Gungor's "Laugh Your Way to a Better Marriage". My husband & I have enjoyed seeing him in person and think we and everyone - would benefit by a weekly dose of medicine for marriage. America needs it! Thanks!

Comments: Hello, I just wanted to ask if Pastor Mark Gungor will be having a weekly "Laugh Your Way to a Better Marriage" program. I saw him on TBN a few weeks ago and was thoroughly blessed. I believe that this program will bless many marriages. Thank you for your consideration! OVERFLOWING BLESSINGS to you Paul and Jan!!!
