Comments: I have just watched the most disappointing show on TBN that I seen in years. Paula White's interview of actor Danny Glover. Through the entire 30 or more minutes, there was NOT one mention of the Lord Jesus Christ or any salvation experinence in Jesus Christ by Mr. Glover or by "Pastor" Paula White. Instead, there were repeated admonitions of secular "do good-isms" as the way to fulfillment in life. Please just show another rerun of "The Robe", At least it has some spirtual content.

Comments: Thank you for having Jim Caviezel as your guest on 'Behind the Scenes'. God must have smiled, I imagined He touched Jesus on His shoulder and said, " I AM"...happy with Jim, he has been the seed of My Faith planted before he was". I have known...not just seen him...I have chosen him and communded with his willing spirit. Though he is man...his 'choice' to allow My Word...to hear and listen to My Voice we continue to draw many very elderly, babies, youth, families, couples, businesses...I AM!

Comments: I would just like to say how very refreshing it is to see Andrew Wommack on TBN. His message of Gospel Truth is setting people free from religious lies that are broken by God's grace.

I would also like to thank you for bringing Aquilla Nash's "Prophetic Whisper" to my home - I just finished watching her, and the anointing was just so strong towards the end of the program. Thank you and I encourage you to please continue bringing us more and more programs that emphasize true Christianity.

Comments: Last night's broadcast with Mark Chironna, John Paul Jackson, Lance Wallnau, Frances, Frangipane and Joseph Garlington was excellent. I would love to see more in-depth programing on TBN. Thank you.
