Comments: Hi! What a blessing you all have been to our family. I recently heard that there was a possibility of your hosting "Praise Moves"... as a regular exercise program on TBN! Is this true? If so... I will tell everyone I can, because I know that God will be honored in our temples when we "move to praise" through scriptural affirmations. I love Laurette Willis' heart and ministry. Please let me know if this show is aired. Lord bless you all, in Jesus' name and for His sake! Elizabeth Joy Ford

Thanks for responding and keep making great movies.

Comments: I just watched your video about chosing the right candidate on Nov 4th. But you left out the fact about the innocent people that died in a war that was a lie. I am a Christian and God even gives you free will you can not chose for other people about abortion. I do not believe in abortion or war. Why do you believe in killing when it comes to war. I don't understand. Killing is killing. Judgement is easliy given out by Christians when we should not judge. I was very disappointed in your video
