I just wanted to let you know what a blessing kirk cameron's show has been to me i have never turned it on before and i haven't hardly seen kirk since 'growing pains' except in the left behind movies, but he really has been blessed with a gift for reaching people for Jesus and helping us as fellow christians to reach the lost. i feel like God led me directly to his program this evening it was airing at 1:30am and i was praying and waiting for my husband to come home and something just made me scroll down to that show. i can't tell you what a blessing it was. if possible please pass this along to Kirk. it is such an inspiration to see how devoted he is to our Lord and Savior and how encouraging he is helping the rest of us as christians to do the same. thank you for your time and have a wonderful and blessed evening.

Comments: TBN:

Monday afternoon from 4:00 to 6:00 pm, August 14th, 2006 I was watching the TBN's repeat of the Praise the Lord program. I do not know when it originally aired, but Dr. Mark Chironna was the guest host. He and several guests were all discussing Prophecy and how God's people were being lead. I missed part of the program and do not know who the speaker was, but they discussed the night watch (4:00 to 6:00 am) and watchmen, etc.... The gentleman guest had written a book concerning this subject and I believe it was titled: Reordering your day. Could you please send me the following information:

Name of the guest:

His ministry's/church's name:

Where they are located.

The correct name of the Book (if I got it wrong).

I would really like to get the book and if it is on cd that also.

Thank you so much for your assistance.

God show loving kindness to you and all your loved ones today (August 24, 2006) and always.

I have also sent this information request to the Mark Chironna ministry.
