Comments: Just letting you know it is a real let down when we plan to watch a movie you have scheduled, are looking forward to it, maybe even stayed up for it, and we turn the TV on and the movie isn't even playing. This has been happening a lot lately and has become quite frustrating. Please, please, play according to what you have on schedule. We'd really appreciate it. Thanks also for all you are doing for the LORD and His bride. Blessings.

Comments: DearTbn,

About 2 years ago at Easter I was watching a program on your network. I really enjoyed it however, I don't remeber the program's name. It was a 3D program where an angel was stuck in a hole and theese kids found him and called the fire deparment. While the FDT was on their way he told them about Jesus and the bible. I want to know if you can find out what the name is. And is it able to buy or can u put it on a DVD for me. I woulfd REALLY appreciate it.
Thank-You God Bless,
Ian Whi

Comments: Thanks so much for airing the special from the National Quartet Convention. Since losing INSP and SkyAngel I have no access to Southern Gospel Music other than my personal collection and concerts I attend. I hope you will continue to broadcast southern gospel music for those less fortunate than I who can't get to concerts or afford purchases. Many elderly people in my church are in this category. I hope you will consider making southern gospel music part of your daily programming! Thanks!

Comments: I would like to know if I could get a copy of the June 3, 2008 show, with Dr. Mark Charona hosting? I went online and see you have a video archive and I can watch it, but I would like to have a copy of it to show my church. It was an awesome show.

Thank you and Blessings to TBN.

Comments: Please tell me how I can view Steve Munsey's monologue again. The show ended at 8:30 PM ET. It was about Hosea marrying a harlot. It was so very moving!! It brought tears to my eyes. I have never seen him like that before; it was awesome!

Comments: Hello! My name is Janna and as a young person I was looking forward to seeing Praise The Lord on September 5 be hosted by Kirk Franklin featuring Da' T.R.U.T.H. and Ambassador. I heard about this particular taping as well as the date of the program on both Da' T.R.U.T.H. and Ambassador's myspaces and was just ecstatic. I was later disappointed to hear that the shows date was now to be announced. When exactly can I expect this show to air in the future?
