Comments: I was watching TBN on Jan 4th, at 6:00 when a program came on about Sampson & Delilah, and it appeared to me that most of the program was trying to prove that this whole biblical account was not even true. Did I misunderstand, or is this what happened? TBN is all about building faith, and I do not understand this programing, that tried to prove that it didn't even happen to begin with. Would you please look into this, and see if I am wrong, I truly hope that I am. I believe the bible to be tru

Comments: Can we please see the Carman Christmas special on the archive? I missed part of it before the holidays, due to having to prepare for holiday travel and really wanted to see the rest. Even though it's after the holidays it would be wonderful to see the parts I missed - Thanks & God Bless - appreciate it. Amanda

Comments: Danny Glover. It's hard for me to believe that I saw Danny Glover on your network tonight on Pastor Paula's show. Glover is a proud friend of Hugo Chavez, the dictator of Venezuela and an enemy to the America, freedom and the church. I would hope your network would show some discernment on who it gives valuable air time to. While he mentioned many reasonable things he never mentioned Jesus, or anything about the Lord. Very sad and disappointing.

Comments: I'm so sad. I am a Southern Baptist and I'm watching my denomination and similar denominations being indirectly persecuted by TBN guests over and over and over. I know TBN is predominantly a Pentecostal station, but you are hurting so many other true believers/scholars/pastors/teachers/etc. who are NOT pentecostal, by presenting guests who speak so condescendingly. I don't know of any Baptist channel that speaks down to penecostal brothers/sisters. . .why does TBN?

Wounded,

Angela

Comments: I am emailing about two movies that you all made and showed on TV in 2003 or 2004. Omega 1 and Omega 2. I have been trying to find these dvd's because time is so near. I believe people need to see these two movies, which I know influenced many lives. If you could show these movies again or let me know where I can get these I would certainly appreciate it. I believe the American people may want to see these before election time and our last days are in our grasp.

God Bless All
