New Beginnings

God has something great for you in the next year!

Dear Friend and Partner,

It's hard to believe, but another year is before us, filled with abundant opportunities and adventures God is ready to unfold for each of us. As you step into 2024, what are your expectations for the months ahead? Are you looking forward with faith and anticipation to the hope and grace God has promised for you?

The good news is that the Word of God is filled with promises about what He will do on your behalf as you trust Him for the days to come. He is the God of new beginnings with plans to prosper you and to give you hope and a future (Jeremiah 29:11). And make no mistake, our heavenly Father delights in fulfilling His perfect plans through imperfect people like you and me. He makes that clear in the Old Testament book of Isaiah, where we read about the children of Israel, whose past was filled with massive disappointments, unfulfilled hopes, missteps, and weakness. And the promise God gave to them at their very lowest point is the same one He declares to you and me as members of His forever family through Christ: *"Do not remember the former things, nor consider the things of old. Behold, I will do a new thing..."* (Isaiah 43:18-19, NKJV).

The truth we can embrace today and throughout the new year is that God's mercies are always

new (Lamentations 3:23), His promises never fail (2 Corinthians 1:20), and He is committed to completing the good work He began in each of us (Philippians 1:6).

Here at TBN, that "new beginning" and the completed work God promises are central to the message we have been broadcasting over the past fifty years, through the prayer and partnership of individuals just like you. And as we move into the next fifty years of covering the earth with the message of God's hope and grace, we are excited about some new things God is doing through your TBN — new cutting-edge broadcast platforms, fresh programming and content, and new ministry faces and personalities to inspire you, and for you to share with family and friends. Stay tuned as we roll it all out in the coming months!

Thank you from the bottom of our hearts, dear friend, for standing with TBN. As we move into this new year, your prayerful support is key to all we do. God bless you as together we share the incomparable good news of salvation, hope, and healing through Jesus to people everywhere!

God's Love Is Changing Lives Across Iran

“Every day individuals across Iran are breaking free from the chains of Islam and are embracing the love of Jesus.”

—REZA SAFA

In the many years that he has been broadcasting Christian programming across the Middle East, Reza Safa has never witnessed a greater opportunity than now to introduce searching individuals in his native Iran and beyond to Jesus. In 2006 Safa officially launched the Farsi-language Christian television network, TBN Nejat TV, for the purpose of reaching Iran's predominantly Muslim population with the message of God's love through Christ. But never has he seen more fertile ground for the gospel message than the present.

“More than forty years of an oppressive Islamic government has left the nation of Iran financially, morally, and spiritually bankrupt,” explained Safa. “It's certain that over half of Iran's population of 85 million has turned away

from Islam, disillusioned by the harsh realities of this cruel religion.”

While some Iranians have turned to drugs, alcohol, and even suicide to deal with the hopelessness they face, Safa said that millions are finding hope through Christ, with TBN Nejat TV serving as one of the primary sources for encouragement and spiritual nourishment.

“Every day individuals across Iran are breaking free from the chains of Islam and are embracing the love of Jesus,” he said. “And through the satellite and online broadcast outreach of TBN Nejat TV, the message of

Benham, a young man in Iran, was sinking into the despair of a life filled with drugs, pornography, and self-hatred. But while flipping through the TV channels one day, he was stopped by the message of salvation and came to faith in Christ. View Benham's amazing story here.

salvation is impacting literally every major population center across Iran.”

He added that while believers in Iran face constant danger of imprisonment and even death for their faith in Christ, they are standing firm as they grow in their faith through the teaching and ministry they receive from TBN Nejat TV.

“We believe we are on the leading edge of a major harvest of souls across Iran and the Middle East in the days ahead,” said Safa. “At TBN Nejat TV, our overarching commitment is to Christ's Great Commission across the Muslim world, as we disciple new believers and they, in turn, go out to lead untold millions more to Jesus.”
