TWELVE CROSSES OF THE NEW JERUSALEM

WOW! Have you heard of these precious stone crosses made to remind us of the foundation stones of the New Jerusalem as described in the book of Revelation? Many of the stones are real and some are replicas—but all of them speak to us as the glory that Jesus has prepared for us.

THE CITY ITSELF HAS PURE TRANSPARENT GOLD LIKE GLASS! THE WALL HAS MADE OF JASPER, AND HAS BEEN BUILT ON TREASURE LANDS OF FOUNDATION STONES BLILAD WITH GEMS: JASPER, SAPPHIRE, EMERALD, RUBY, TURQUOISE AND AMETHYST... REV. 21:19-20 TLB

I have named just a few of the stones of the "CITY OF GOD SQUARE!" Read for yourself the finding dimensions of the glory in the city that will one day be OUR HOME! These unique crosses are just the right size to wear to a gold or silver chain and come in a handsome wood box to store and protect the crosses from theft. Likewise, the crosses come in a variety of different colors and will be lovely because of your prayers over them. It will bring a joy to my heart to know the treasure will be a family treasure for years to come!

We are getting TBN on satellite and some tell us they can cover a whole new area of India, and the best part—the satellite dishes are flooding the mainland and some tell us they are getting TBN on in my hotel room! It felt like I was at home, twelve thousand miles away! And yes, we caught them! Over 5,000 more cable TV stations have asked for the free satellite dish and want to put TBN on air in hundreds of new cities and towns, large and small. For $10,000 we can establish these entire new areas of India, and the best part—the air time is free! Oh dear partners, don’t you see God’s strategy and plan to reach the multitudes with the Gospel?

I believe your Bible is better and much more beautiful in its contents—so I have decided to move to bless you with whatever that need may be. We make a faith pledge or promise to God and watch Him provide. Well, please review last month’s newsletter. I’m not even sure just how much we are getting TBN; but, of course, the key is keeping the key! The world can see and hear the mighty works of our God!

How do you follow up on new souls from Benny’s meeting alone! Two hundred new Arabic language programs? And are you ready for this? Over 5,000 more cable TV stations have asked for the free satellite dish and to get TBN on the air in hundreds of new cities and towns, large and small. WANT to bring the truth about God’s power to the world. He has the joy and privilege of accompanying Benny Hinn to Bangalore, India, this past January and saw with my own eyes a vast sea of humanity which totaled over seven million during the three day “Praise for India” gathering.

So when you read a newsmagazine like The Economist, you see that there would be more than ONE BILLION SOULS that call India home! The great prophet saw the vision through the prophecy of a day, years later, when there would be more than SIX BILLION SOULS on this planet earth — most of whom would be filled with the Spirit — and searching for the one true and living God — yes, the most holy God who alone can open the eyes of the blind. I had the joy and privilege of accompanying Benny Hinn to Bangalore, India, this past January and saw with my own eyes a vast sea of humanity which totaled over seven million during the three day “Praise for India” gathering.

Morgan Shepherd races cars for Javelin as a NASCAR Winston Cup driver and team owner. Morgan boldly proclaims his faith on the racetrack—and lifts up the name of Jesus wherever he goes! Yes, how we rejoice at the multitudes who called India home! So what do you say to three million precious souls standing before you in a sea-city of one million souls and ask, how do we one or more of the 300 million gods in that great nation. That huge number of Indian deities is proof that the God who created the universe had to do something to save these multitudes of spiritually hungry souls. How do we reach these multitudes?
