From Egypt: “This channel brought me back to Jesus. I knew He loved me, but I didn’t realize that He died for me. I learned from you that God’s love is real and that He — not your sin — is the reason for your death. I’m praying to give my life to Jesus now.”

From India: “I watched your programme through TBN Channel. It’s very convincing to me. All the messages telecasted in TBN channel taught me in believing in Lord Jesus Christ. I feel I am saved.”

From Egypt: “I have been waiting for the opportunity to speak to God – A.S.”

From U.S.A.: “I am currently dealing with a serious health condition, but I feel that I need to get myself spiritually speaking, this place is not dry desert. I managed to pull in a station with a beautiful satellite and suddenly, Joel Osteen was showing me a small studio TV screen. I could just feel the presence all of my Lord Jesus Christ. For the first time, I felt saved and happy. I have been following Mr. Joel Osteen morning every though I have alone in the desert, 1,000 miles away from my family, friends and church family. Please thank the staff for all their hard work. I know it’s expensive and I am sincerely grateful for your commitment to global ministry. I can’t thank you enough. Joel and Jon, for me it is a thinking spiritual oasis in an otherwise not dry desert.”
