Blessed be Egypt!

In that day the Lord will make himself known to the Egyptians Yes, they will know the Lord and give their sacrifices and offerings to him… For the Egyptians will turn to the Lord and will listen to their plea and heal them” Isa. 19:21, 22 TLB

Get ready to rejoice over all the following testimonies, but this one nearly took my breath! The reason it is so special is the fact that it comes from a Moslem physician who was treating a patient who was healed while watching Benny Hinn on the Healing Channel! Here is the doctor’s word-for-word report:

“In the name of Allah, the most gracious, the most merciful.

After completing the clinical examination, it was found that she was healed, thanks to, from, and because of Jesus. She was receiving treatment for three years, today and suddenly, she is healed! She is no longer complaining with any pains, with full range of movements of her spinal column, hip, shoulder and knee joints. She is no longer taking any medications for osteoporosis or any pain killers for bone illnesses.” The letter was signed by a leading orthopedic surgeon in Egypt.

This awesome report was received by Dr. Raafat W. Geyra, M.D. and forwarded on to us. Dr. Geyra is a professor at the University of Cairo Medical School in Southern California and produces a program for the Healing Channel! One special thanks to Dr. Geyra for sending this wonderful report to us at TBN.
