A Macedonian Call!

THAT NIGHT PAUL HAD A VISION: IN HIS DREAM HE SAW A MAN OWNED IN MACEDONIA, GREECE, PLEADING WITH HIM: COME OVER HERE AND HELP US.”

A few years ago I, too, received a call from a Macedonian brother to come over and help him. So we went — we planted a television station and small network in Greece, and for several years, preached the Gospel there. But just like the great apostle Paul, we too, were driven out of Macedonia and Greece! Paul’s story is thrilling as well as tragic — read the whole account in Acts chapter 16. The similarities between TBN’s story and the apostle Paul’s are quite amazing. So guess who can not go back OUT OF TOWN? No, it was not the civil or political leaders — IT WAS THE RELIGIOUS LEADERS! As I said, read the whole story — it is thrilling! But, in a nutshell, as we say, Paul and Silas were preaching in Greece and as they moved through the area, a demon-possessed girl followed them around and shouting: “These men are the servants of the most high God, which show us not way of salvation.” Acts 16:17. Finally, after several days, Paul commanded the demon to leave her, and she was delivered! So her RELIGIOUS MASTERS were angry — they changed her life with money and with Paul and Silas before the magistrates came and sold her back into slavery, and all the doors were closed and the chains fell off of all the prisoners! The jailer was about to fall on his sword and kill himself thinking all the prisoners had escaped. So Paul said —

“DO THYSELF NO HARM: FOR WE ARE ALL HERE!”

Al, what future means for him, God turned for the jailer came "willing" to Paul and asked: "Sirs, what must I do to be saved?" Acts 16:29-33

So, how did God turn the tables on the RELIGIOUS LEADERS for TBN?"

Christian strife is the way he concludes with this statement that Christians are not indebted and through accepting Jesus Christ we can become children of the Almighty and son of man not mere slaves.

I am now boldy say I am embarrassed by the Prophet Mohammad who performed no miracles and said of himself — I am but a mortal man. If God is pleased with me, He will forgive my sins. So how can I believe in him? He might be a false prophet for all I know it was the word of the Holy Spirit that touched the strings of my heart, and I know the truth — I am free! Thank God it was His grace that changed my life — His Spirit that dwells in me — I am so grateful to God — How else could I have readily gave my soul to him — He is my Lord and Saviour!"
