Who among us has not had trouble at one time or another? Some of you reading this letter are in trouble right now and you do not have the answer as to how you will get out. Believe me, I know what trouble is! Jan and I have had our share over these past 34 years of pioneering our blessed TBN. But we are a witness that our God is a deliverer from trouble — praise the Lord!  
But there is a most blessed story in the Bible. (1 Samuel 7:7) that better illustrates the subject of trouble as well as God’s deliverance. As was so often the case, the children of Israel had, as we would call it, backslidden! They had returned to the worship of idols — Baal, Asherah, and other heathen gods. As a result, God withdrew His Blessings and protection over the children of Israel. They had forgotten the many mighty miracles: the crossing of the Red Sea and the deliverance of the Egyptians by the Egyptian forced labor; the provision of the manna; the water from the rock by the faith of Caleb!  

AN OFFERING FOR TROUBLE

PLEDGE TODAY FOR PRAISE THE LORD!  
When you pledge to support Praise-a-Thon November 4-9, you will stay informed with Drive Through History, First to Know, and hand of Moses; as well as the deliverance from many enemies, even after crossing the Jordan River into the Promised Land. They were in trouble right now and you do not have the answer as to how you will get out. Believe me, I know what trouble is! Samuel was the judge and prophet during this period. Would you believe that after a period of time the Philistines decided to invade and conquer Israel yet again? They heard that Israel had repented and returned to the God of Israel — the One who had killed eighty thousand Philistines for violating the Holy Ark of the Covenant. So here they came to conquer Israel!

“When the Philistines heard that the children of Israel were gathered together to Mizpeh [to repent], the lords of the Philistines went up against Israel. And when the children of Israel heard it, they were afraid of the Philistines.” (1 Sam. 7:5)

And when the backsliding and sin of the children of Israel. Even though they had repented and God had forgiven them, there was a price to be paid for their sin. That principle continues in this very day, but is another whole teaching for today.

Now it is getting very serious. The Philistines are approaching and the children of Israel are in great fear:

“Do you have any trouble? Do you need a deliverance from something that has been troubling you? Are enemies swooping down on you as they were the children of Israel?”

As Samuel did? Again I say, you cannot purchase your way out of trouble; it is simply a sign of your faith and love for Jesus and your belief that HE WILL BRING YOU OUT of that trouble! Make your pledge on the enclosed envelope, or on TBN’s secure website: www.tbn.org. Please allow 6 to 8 weeks for delivery of pledge gifts and love gifts.

Do you have any trouble? Do you need a deliverance from something that has been troubling you? Are enemies swooping down on you as they were the children of Israel? Why not do what Samuel did, and as we do, the proceeds will allow us to add more witnesses for Jesus.

Now, there is another KEY, another FACT that was demonstrated to the Philistines and to the children of Israel. God will not fail us! God did it for Samuel and He is no respecter of persons. If you will pray to the God of Israel — the One who had killed eighty thousand Philistines for violating the Holy Ark of the Covenant — the Philistines will be defeated.

“Do you have any trouble? Do you need a deliverance from something that has been troubling you? Are enemies swooping down on you as they were the children of Israel? Why not do what Samuel did, and as we do, the proceeds will allow us to add more witnesses for Jesus.”

“God is a consuming fire!” (2 Cor. 3:17)

And when the children of Israel heard it, they were afraid of the Philistines. “God is a consuming fire!” (2 Cor. 3:17)

So, now the “rest of the story.”

The Philistines decided to invade and conquer Israel yet again. Would you believe that after a period of time the Philistines had gathered together to Mizpeh [to repent], the lords of the Philistines went up against Israel. And when the children of Israel heard it, they were afraid of the Philistines? (1 Sam. 7:5)

 Thousands of beautiful designs of the Holy Family with Baby Jesus as the centerpiece are seen as we approach the Christmas season.

Shaped in the style of a Fabergé egg, it is decorated all over with sparkling, jewel-like emblems of heaven! But even more unique are the two doors that open and inside, there they are—the Holy Family and through His suffer- ing and death and resurrection, He has overcome the world. (John 16:33)

Do not even think of not getting Arthur’s new book, coming out in November 4, but you can make your pledge by mail or on our secure website: tbn.org.

Those of you who have been in on one of the Arthur Blessitt and TBN rallies know what this title means. The one most memorable to me was April 30, 1980. About one million on fire believers had gathered on the Capitol grounds around the Washington monument. Several of the ministry leaders had been given about five minutes each to address and inspire the immense crowd of witnesses! Arthur was somehow omitted from the list, so I got the chance to make it live in my life. When Arthur stepped up, the place went wild. But, if that was unexpected, heretofore, you should have heard Arthur’s first words:

“GIVE ME A J!” Then of course, the rest “E.. S. U. S. 5!” I’m sure they heard us around the whole world! Don’t even think of not getting Arthur’s new book, coming out in November 4, but you can make your pledge by mail or on our secure website: tbn.org.
