Behind The Scenes

The story of Hanukah is recreated with traditional Jewish music and dance in “Light the Lights—The Story of Hanukah.” Learn about the apportionments “come from the East”—the Magi—who traveled across the desert to worship the Christ Child. There’s something special in the kids, too, as we capture and familiar presentation of “The True Story of St. Nicholas.” And, that’s music from Southern Gospel Channel to traditional Christmas carols, to delight you throughout the season.

“Come to the Manger” at the Holy Land Experience the way it was 2,000 years ago!

As together we have seen God create the greatest Christian television network in the world!” —Paul Jr.
