I could write another book how the Italian government forced us to leave—and we were the enemy!

But, God in His great mercy we were the enemy! It was hard, grueling work. Many gave their lives running to bring the Gospel to lost and blinded souls. are here, praise God; now, let's ask for the showers we plead? Earlier I said I would tell you why I believe we are running to the Light! Normally, those 70 satellite footprints all over the world. Thousands of testimonies by email, regular mail and phone calls confirm the fact that multitudes are RUNNING! On our own TBN website alone we get an average of 25 million visits a month — many asking for Bible and more information about our Christian faith! Praise God again! Some days I say to our friends, "Help us! We have no answer to this flood of humanity, burned out on the horror of false demonic religions and seeking ‘the way, the truth and the life’.” What a joy to point them to a "only name under heaven, by which they must be saved." Oh say it with me, "Jesus, Jesus! My learning, and my heart burns for the lost sheep that are truly running to the Light! Earlier I said I would tell you why I believe we are seeing this awesome harvest of souls — yes, yes, the prophecies are being fulfilled.
