FLIGHT TO EGYPT — framed reproduction print

Once again, in an old antique shop, my eye spied what I imagined to be a priceless, original antique painting! Well, it was not particularly what I envisioned, but what a priceless story it tells! Our precious Baby — our Savior and Lord — fleeing into Egypt, after Herod’s decree to kill Him (Matthew 2:13-14).

This smaller high quality reproduction will add a wonderful Christmas touch — yes, a touch into our hearts.

Your special Christmas love gift will bring this treasured picture to you with Jan’s and my, “Merry, Merry Christmas!” May our 37 year be the best!

Send your love gift today to TBN, P.O. Box A, Santa Ana, CA 92711, or give online at: www.tbn.org.
