Hallelujah, glory to God, praise the Lord, and if I could write His praises in tongues — I would! You know that Jan and I have worked, prayed, loved, and gone to the Holy Land over fifty times! Yes, for TBN’s nearly full 38 years we have met with all the prime ministers (except one), pled with them and their ministers of TV and broadcasting for a TV license — to no avail!

But, IN THE FULLNESS OF TIME, GOD! Yes, in a moment I will tell you how our God did it! But first, a glorious prophetic miracle had to be fulfilled. Read it and rejoice for the sons and daughters of Abraham!

“I will restore the fortunes of my people Israel, and they shall rebuild their ruined cities, and live in them again, and they shall plant vineyards and gardens and eat their crops and drink their wine. I will firmly plant them there upon the land that I have given them….” Amos 9:14-15 TLB

And to the many enemies of Israel God gives this warning—

“‘And they shall not be pulled up again,’ says the Lord your God!” Amos 9:15 TLB

Praise God, now we see why we had to wait so long for our TBN miracle: the remnant of God’s people had to return and be in the land so that we can reach them with the glorious truth of their Messiah! And now the final miracle begins!

So, how did God do it?

“O the depth of the riches both of the wisdom and knowledge of God! How unsearchable are his judgments, and his ways past finding out!” Romans 11:33 KJV

Who would have dreamed that our Russian network and our Russian brothers would be the key?! As the Jews returned to their homeland, it finally became apparent

ISRAEL ON THE AIR!

Matthew Barnett, founder and senior pastor of the Dungeon Center Church in Los Angeles—which has now expanded to 11 Dungeon Centers worldwide—is driven by his vision and passion for reaching people with the love of Jesus.

Matt and Laura were joined by two American hosts: Venture ventures, evangelist and author Barnor Brown and Captain Chris Plenkpol, who served as a combat company commander in Iraq.

The importance of education was the topic as Matt spoke with former governor of Arkansas, and current host of Huckabee on the Fox News network, Mike Huckabee.

The following year, multi-talented actor, composer and singer Clifton Davis has delighted audiences worldwide through his work in TV, film and theatre. A minister of the gospel, Clifton blessed us all with a great word from the Lord.

For over 30 years, multi-talented actor, composer and singer Clifton Davis has delighted audiences worldwide through his work in TV, film and theatre. A minister of the gospel, Clifton blessed us all with a great word from the Lord.

We had a Holy Spirit, power-packed night of ministry from TBN’s Manhattan, NY studio with guests Paula White, Bishop T.D. Jakes and host Donnie McClurkin.

Over 2,000 people from all over Israel attended the May 28, 2011, dedication service of “Shalom Channel,” our new studio headquartered in Jerusalem.

“I often say that for the deeper richness both of the wisdom and knowledge of God, and His ways that are past finding out!” Romans 11:33 KJV

Who would have dreamed that our Russian network and our Russian brothers would be the key?! As the Jews returned to their homeland, it finally became apparent...
Nikitin first brought us the news: about 25% of the population of Israel! Our brother Igor from Russia. So much so that Russian speaking Jews are now a great number, in fact a majority, were coming from Russia. That is a fact. So, now besides prayer, we need some good partners who also have a burden to reach this prophetic miracle! The cost will be light everyone reaching this would add perhaps two or three dollars to their pledge. You simple partners have never to do! Here also we could support 72 saddlecars, 51 big power stations, plus over 20,000 affiliated TV and cable stations worldwide, and very soon TBN—the awesome new Internet station carrying all 10 of our networks also around the world.

Dear dear partners! Rejoice with me again as we praise our God for this and the many miracles that we have seen these 34 awesome years! Jan and I do not have words enough to say how much we love you for being a part of this great final voice to the world! We will look for your letter and will be your prayer partner until Jesus comes!

P.S. Finally, to the enemies of Israel, hear the word of the Lord: 

“For thine enemies...have said, come and let us cut off from being a nation; that the name of Israel he no more” Psa. 83:4

“He that sitteth in the heavens shall laugh...he that dwelleth in the tabernacles of Jacob shall laugh at them. The Lord shall speak unto them in his wrath and destroy them” Psa. 2:4-5

Two of today’s leaders in Christian music, Pastor Marvin Winans (left) and Pastor Donnie McClurkin (right), joined with Jan and the HLE cast for a glorious time of ministry.

TBN’s response was immediate. Jan visited the area and through Franklin Graham and through hundreds and wiping out homes and communities across several states. The amazing message of God’s love was vividly reenacted in the dramatic presentation of Jesus’ scourging and crucifixion. The “man who walked against Satan!”

For your love gift to TBN this month of August only, this awesome testimony of an innocent child will make heaven all the more real and quite frankly make you a little more homesick. Get it, read it and be blessed—then use it as a powerful witness to your unbelieving family and friends!

The amazing message of God’s love was vividly reenacted in the dramatic presentation of Jesus’ scourging and crucifixion.

Jesus’ triumphant return as King of kings and Lord of lords is celebrated as he inverts the final judgment against Satan.

Heaven Is For Real is the true story of the four-year old son of a small town Nebraska pastor who during emergence slips from consciousness and enters heaven. He survives and begins talking about being able to look down and see the doctor operating and his dad praying in the waiting room. The family didn’t know what to believe but soon the evidence was clear. Colton said he met his miscarried sister, whom no one had told him about, and his great grandfather who died 30 years before Colton was born, then shared impossible-to-know details about each. He describes the horse that only Jesus could ride, about how “really big” God and his chair are, and how the Holy Spirit “shouts down power” from heaven to help us. Told by the father, but often in Colton’s own words, the disarmingly simple message in heaven is a real place, Jesus really loves children and be ready, there’s a coming last battle.
