OUR LOVE GIFT TO YOU FOR JANUARY

ABRAHAM LINCOLN’S DAILY DEVOTIONAL

An exciting discovery of historical significance: President Abraham Lincoln’s personal devotional! Long out of print, this rare book was found by a partner and sent to TBN. We immediately recognized it as a historical treasure of immense proportions and have now reproduced it for you in its original form.

There is no doubt that President Lincoln was a devout believer in our Lord Jesus Christ, and in many historical writings boldly declared his faith. This daily devotional was the companion to his Bible and features an inspirational thought and Scripture for every day of the year. A portrait of the 16th president and a foreword by Paul will make this a family treasure for generations to come!

It’s actually more than a station — it is a complete on-demand video library of almost every program aired on TBN for the last 36 years, plus all of our current programs, which are being added daily, as well as all 10 of our network! Viewers can access TBN via adovlableable application onto a variety of smart phones, iPads, and computer screens—making it a portable web library of TBN’s programming past and present and bringing the message of the Gospel 24 hours per day on whatever device people use and whenever people need it. This past summer we dedicated iTBN on the Behind the Scenes program, and I got to press the big button (I wanted a big switch) signing iTBN on the air worldwide! As of late last year nearly every town and principality on earth has logged on to view thousands of hours of TBN programming! Praise the Lord! Yes, we pay for those hours like a “collect call” but how much is a soul worth?! “Let the wilderness and the cities...lift up their voice...let the inhabitants of the rock sing, let them shout from the top of the mountains!” (Isa. 42:10) So, what other NEW THINGS happened in 2011? Well, I could bore you with many more pages of statistics until your eyes glaze over! But I must at least tell you of thousands of little satellite receiving dishes given to India, Sri Lanka, Egypt, Russia, and the former republics of Russia. Here in the U.S., TBN’s Second Chance prison outreach continues in full force and is available to 1 million prisoners throughout the country. Ah, I nearly forgot 192 prisons in South Africa and Swaziland. By the way, TBN is the only prison in the states that is permitted by the government! We can’t pass up cable TV growth here at home. TBN, the church Channel and JCTV all grew by more than one million households each! The Church Channel now reaches about half of the homes in the USA! And, WOW! TBN is still the largest Christian network with 101,456,235 households in America! That is about 98% of the homes that still view the church TV in the indoor or outdoor antenna. I had to laugh at some of our young children who were surprised that there was such a thing as free, through-the-air free TV! Ah, yes — I’m getting old fast! Dear Jesus, did I forget the new TBN-Russia TV air TV! Ah, yes — I’m getting old fast! Dear Jesus, did I forget the new TBN-Russia TV studio and station in Jerusalem? By the way, keep praying for the Middle East and China — the two great areas of the world God has assigned us to reach! So, what NEW THINGS will we see in 2012 and beyond? Only God knows, but one more thing for sure: God has called us to — *Open the blind eyes, to bring-out the prisoners... and them that sit in darkness out of the prison...* (Isa. 42:7)

And I love you — it will be 39 years long and strong this year! We are alive and strong and will throw the many switches at home and abroad. Your letters, loving support and prayers keep this great Voice ON THE AIR!
