Recently while in Israel I found a unique necklace that we have reproduced for you: A golden Star of David with 12 crystal stones—one for each of the twelve sons of Jacob, which became the twelve tribes of Israel. It also represents one of the mysteries of the Old Testament, the “Urim” and “Thummim” described in Exodus 28:15-30.

One of them may be your birthstone! Your Praise-a-Thon pledge to TBN will bring this historic piece of Biblical jewelry to you with our love.

Let us know your birthstone and we will send you a Star of David necklace containing one of the twelve crystal stones—the stone of your choice in a special pouch.

Since 1973, Trinity Broadcasting Network has brought the Good News of Jesus to millions around the world. From the old KHOF-TV in Hollywood to the Lord’s Church around the world, Your pledge will help us continue carrying the Gospel of Jesus worldwide.

We've often told the miracle story of TBN—from that first snowy picture in 1973, to what it is today: God’s gift to the nations through a family of 24 networks carried on over 80 satellite channels beating thousands of cable and TV stations, and millions more via direct-to-home satellite, and TBN Mobile connecting with iPhone, iPad, Android, and other Mobile devices.

In celebration of TBN’s 40th anniversary, we have created a beautiful pictorial history book. Matt and his team combed through thousands of photos and have designed this one-of-a-kind book that tells the miracle stories of what God has brought to pass these past incredible 40 years!

Your pledge in the amount shown will bring this faith-building treasure that you can enjoy for years to come. It comes to you with Jan’s and my love—40 years long and strong!
