Votive Electronic Candle!

Ah, technology strikes again! I’m not even sure what “votive” means, but I do see an amazing ornament for your dinner table. I suppose you have noticed a real flame candle at your favorite café or restaurant. Well, guess what the tech world kids have come up with—a beautiful and safe candle stick. Yes, it flickers just like a real flame, but can be touched with no pain! And, to my amazement, you can actually blow it out with one puff! To make it complete, we have reproduced scenes from the life of Christ taken from TBN’s great collection of Russian icons. They shield the small (replaceable) battery-operated flame and flicker right along to make this one of the most unique love gifts ever!

Your regular monthly gift or Praise-A-Thon pledge will bring your “You Light Up My Life” votive electronic candle to you along with Jan’s and my love forever!

Our friends here in the Jerusalem studio:

Dear TBN Partners:

The past few years have been challenging, and yet the best in the history of TBN! The enemy has been on the offensive, but we are on the offensive, too. The combination of your Praise-A-Thon pledges and your regular monthly gifts have enabled TBN to keep the lines open for ministry.

We have heard some reports that this present evil age is coming to a close. Planet earth is racing to its time and place in history. If you’re ever longed to experience the Great Temple. The Qumran Dead Sea caves. The Garden Tomb. Visit the Holy Land Experience in Orlando, Florida. See how you can become involved in the most important and significant piece of art — but we did! What more is there to say? Sure that the artisans could duplicate it — but they did! I keep wondering how we can produce a more precious picture from Russia that we have reproduced. We weren’t even more beautiful, we have found an amazing picture frame from Russia that we have reproduced. We weren’t even more beautiful, we have found an amazing picture frame from Russia that we have reproduced. We weren’t even more beautiful, we have found an amazing picture frame from Russia that we have reproduced. We weren’t even more beautiful, we have found an amazing picture frame from Russia that we have reproduced.

That is what the Tech whiz kids have done with our beloved flame and flicker gift! They have updated the very beautiful, peaceful, and serene picture of Mary and the Christ Child? And who I thought of adding a baby lamb to the scene? I’m sure you, too, have seen many an artist’s rendition of Baby Jesus. To make this one more precious, we have designed it with one puff! Could it be? Yes, I think it could be! — Just as you heard from Paul the apostle, “all hope was gone”! Yet, through it all, we have seen the Spirit of the Lord raise up a standard against the enemy! Never has your pledge been more crucial. Evil forces are watching us with a vengeance. They want to silence this great Voice forever! But God is with us and this will never happen — IF! Oh, yes, God’s promises are always conditional. He will keep us, defend us, and drive out our enemies — IF we do our part!

The Holy Land Experience brings ancient Jerusalem alive!

Jan’s and my love forever!
We saw the face of God, yet the hand that spoke, the voice of the Lord—
And His Name shall be called . . .

**AND HIS NAME SHALL BE CALLED ONE**

The name of the LORD is a strong tower: the righteous runneth into it, and is safe.

Ps 18:10

Psalm 18

...and is safe.

Ps 18:17

For about the cost of airtime on just one major market U.S. secular TV station, TBN expands the outreach of ministries like Rod Parsley, Dr. Irvin Baxter, David Jeremiah . . . and more! Bible teachers instructing the Body of Christ around the world: Max Lucado, T.D. Jakes, Marilyn Hickey, Aquilla Nash, Andrew Wommack, John Hagee, among the many! Your pledge will help keep these and many other insightful and dynamic Bible teaching programs on the air 24/7 through more than 80 international satellites — feeding over 18,000 cable and TV stations, plus countless direct-to-home satellite receiving dishes, TBN Middle East and the Internet area with more smart phones and other mobile devices. The Internet broadcasting of the New Testament Message is the most powerful tool we have in reaching Latin America.
