Our LoveLetters to you for JUNE

Crystal Cross Necklace

This month’s love gift is a shining symbol of the price of love and the love Jesus has for you, and one which he died and not a thing of beauty. In the words of the song He is Risen, "Jesus Christ is risen today! He is Risen! He is Risen indeed!" But the Pectoral is that cross was the transforming cross—the knock of the Father—who gave the precious as an offering for our sins. The cross is the message that we have discovered, by faith in Christ, the strength of our faith, the repository of our faith, the practical reason for living a Christ-centered life. Your gift to us, to our Prisoner, to our Children, to our Parents, is a message of love, a message of hope, a message of salvation. It is a conversation starter and a witnessing tool to share with others about Christ’s presence.

In June of 2013, Pastor Javed traveled to the U.S for a meeting with Dr. Crouch and Matt. During an interview with Dr. Crouch on a Behide the Screens program, he spoke about the opportunity to cover the entire nation of Pakistan with the Gospel. Dr. Crouch’s response was, “How can we say no to an open door of opportunity and even more so in Pakistan.” Then he asked TBN’s partners, if they would support this new ministry endeavor. The vote was an overwhelming “yes” as our partners agreed in faith to support buying air time on the ABS-1 satellite for JCTV-Pakistan. Pastor Javed returned to Pakistan with the great news, and in November JCTV-Pakistan launched a program on the ABS-1 satellite with a glorious time of celebration above.

Because of the support of TBN and its partners, JCTV-Pakistan now covers not only all of Pakistan, but the entire Indian sub-continent and parts of Africa and Europe as well. That’s important because there are 300 million Urdu/Hindi language speakers in India and millions more in Afghanistan, Bangladesh, Iran, the United Arab Emirates, and Saudi Arabia. All together that’s more than half a BILLION people now able to receive 24/7 Christian programming in their own language. Pastor Javed reports “the Holy Spirit has done a great work,” as JCTV-Pakistan receives numerous calls and emails from viewers in Pakistan, India, and different parts of the Middle East whose lives have been changed forever because of Jesus.

Please remember to cover Pastor Javed and the team at JCTV-Pakistan in prayer. Let’s agree in faith with them that not only Pakistan, but all of the nations of the Middle East will be changed by the Gospel of Jesus Christ. Also, please remember to send in your love gift and pledge to TBN. The Trinity Family of Networks reaches vast numbers of souls in 10 languages through television stations, satellite channels, cable systems, internet streaming and video on-demand. It is because of your faithful support and partnership with TBN that we are able to expand and reach the world with God’s message of love and salvation.
