

# THE HOLY LAND EXPERIENCE REPORT FOR SEPTEMBER 2016

A.D. JERUSALEM HAS COME ALIVE AT HLE

HLE has a new Jerusalem market. The market has an old Jerusalem motif with a carpenter shop, an inn, a blacksmith shop, and others. This new venue is the location for our three new presentations: "Welcome to Market," "The Roman Road," and "The Golgotha Walking Tour Featuring the Road to Emmaus."

## THINGS TO SEE AT HOLY LAND EXPERIENCE!

Join our Lost & Found Agents on their quest to find lost things. Help Shimmel the Shepherd find his lost sheep, Maya find her lost coin, and re-enact the story of the prodigal son.

A fun, upbeat and interactive show that helps our younger guests realize that "if you ever feel lost, report to Jesus. Because just like the lost lamb, the coin, and the prodigal son, Jesus rejoices in finding the lost. He even keeps a log of people that were once lost but now are found! Once you do that, you can join the rest of us by helping Jesus find the lost."

## GOLGOTHA WALKING TOUR AT HLE

On this guided tour, HLE guests get to experience replicas and artifacts that explain the crucifixion of Christ. The tour ends with a featurette, "The Road to Emmaus," where the encounter with Jesus comes to life.

CELEBRATING "THE PROMISE" AT HLE

HLE's new production, "The Promise," is an exciting update of our "Passion" drama, incorporating new scenes, original songs, and Broadway style sets designed to powerfully enhance the retelling of the timeless story of Christ's death and resurrection.
