

# JUCE TV Monthly Report

This past month JUCE TV aired three nights of the Southern California Harvest Crusade live on the network. JUCE TV hosts Art Garcia and Claire Burdick welcomed viewers each night to Angel Stadium with a three night total of 105,000 attendees! Viewers enjoyed music by Chris Tomlin, Phil Wickham, Toby Mac, and Skillet, along with testimonies and a salvation message by pastor and evangelist Greg Laurie. The crusade ministry recorded nearly 12,000 salvation decisions from those three days! It is always a powerful scene when thousands of people f b o d the f i e l d each night to respond to the gospel invitation.

JUCE TV is scheduled to carry all three nights of Georgia Harvest live September 23-25, which will feature Third Day, Lecrae, and Chris Tomlin.

We continue to partner with Rapzilla.com, the largest urban Christian website, taping weekly spots that are co-branded and shown on both Rapzilla's YouTube and JUCE TV each week. In addition to Rapzilla spots, we keep up in taping the weekly *JUCE TV Takeover* spots that air Saturday evenings on TBN.

Next month promises to be an exciting time for JUCE TV as we carry all three nights of Pastor Greg

Laurie's Harvest Georgia live as well as tape JUCE TV special programming from the GMA Dove Awards. JUCE TV will air Dove Awards multiple times on JUCE TV in October. It will be a busy month, and we look forward to it. Stay tuned!
