Activities

We continue to partner with the Floor Church on the last Saturday of each month to do an outreach at Makanalani Market in Kaneohe which includes ministering through music and prayer. We encourage all to come out and visit with us. This past month we prayed with two people to accept the Lord. Glory!

Station Manager Cheryl Witbeck was out and about in the community and volunteered at the Susan G. Komen annual Pink Tie Ball.

She also visited Agape Christian Fellowship for their Saturday service. Agape Christian Fellowship ministers to the formerly incarcerated and their families. She made many great connections for testimonies for future *Praise the Lord* programs.

Cheryl served on the planning committee for this year's Easter Sunrise Service at the historic Kawaiaha'o Church. Over 400 in attendance to celebrate the resurrection of our Lord.

The Governor's and Mayors' Prayer Breakfast was another great event this month attended by our station manager where NFL's Jason Elam ([pictured, right]) was the guest speaker. He told of his journey with Christ from Florida to Hawaii and inspired us to trust in the Lord always and in every situation.

Praise The Lord

We taped a studio *Praise the Lord* hosted by Pastor Keola Richards of New Hope Oahu. Program guests included the Gideons, Island music legends Gay and Randy Hongo, Pastor Alex Michel of New Hope Town, and Jason Alan whose Facebook clip has reached over 50,000 people.

Joy In Our Town

We taped programs with representatives of the State of Hawaii Dept. of Health, the University of Hawaii Medical College, the Autism Society of Hawaii, and AARP Hawaii.

Future

We are working on an exciting Mother's Day program, featuring some powerful testimonies from women along with Mother's Day spots.

We are working on more TBN "My Story" segments, and always appreciate people contacting our office with their stories for consideration.

Praise Reports

A lady from Waianae wrote in to thank us especially for TBN's *Praise the Lord program*, which she watches every night. She told us of special healings the Lord has blessed her family with.

A lady from Missouri called us to pray for her sister who lives in Hawaii and is going through chemo. She called back praising God and thanking us for the prayers because her sister is not experiencing side effects as she goes through the treatments.

Henry, a homeless veteran, stopped by our station to ask for prayer. He was recently mugged and his wallet and Bible were stolen. He was very upset. We connected him with local services and replaced his Bible. He burst into tears and said he had been naked without the Word of God for almost a month. The Bible was the most important treasure he owned. His attitude of gratitude touched us deeply.

A homeless gentleman stops by each day and stuffs his \$1 offering through our front door. We pray that God blesses him abundantly for his faithfulness.

After hosting our local *Praise the Lord* program, Pastor Keola was moved to tears as he told us how very important TBN is to the body of Christ.
