

Programming & Production

Dwight Thompson hosted *Praise the Lord* featuring guests Mylon and Christi LeFevre who ministered about deliverance and overcoming addictions.

Dwight Thompson hosted *Praise the Lord* featuring guests Harry and Cheryl Salem who shared their experiences and insights on overcoming tragedy and loss.

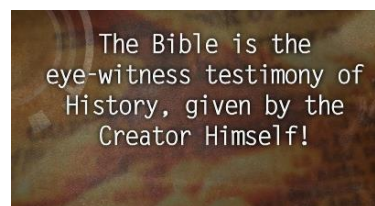

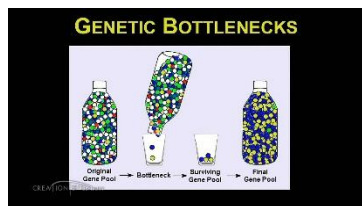

Esencia with hosts Ruben and Susan Mendez, a marriage-themed program that includes cooking segments, interviews with interesting couples, and teaching, was taped at Shiloh Ranch studios. This month's treats included Frozen Fruit Delight, Soy Chorizo Breakfast Tacos with Salsa Verde, Healthy Carrot Cake, and Chicken with Chorizo and Tomato Salsa.

Raising the Standards with host Dr. Andrea Ramirez, a program that inspires people to strive for a higher education, was taped and edited for *TBN Salsa*.

Creation in the 21st Century with host David Rives welcomed Dr. Robert Carter with Creation Ministries International who explained that genetic entropy, the genetic degeneration of living things, is the Achilles' heel of evolution. Steve Ham with Answers In Genesis told us that the truth in the Bible is always truth. Any so-called 'facts' we find outside the Bible do not undermine the Bible's truth. Dr. Terry Mortenson with Answers In Genesis said that the Bible is the eye-witness testimony of history, given by the Creator Himself. Mike Snively with Mission Imperative! revealed that marine fossils can be found on tops of mountains, attesting to a global flood. Dr. Paul Nelson with Biola University described how dolphins use echolocation to navigate and hunt for food.

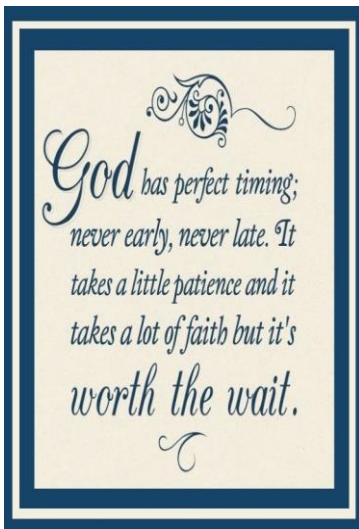

Joy in Our Town welcomed guest Mayor Pro Tem Mark Solomon with the City of Richardson who spoke about his city's effort to retro-fit buildings for handicapped access. Teri Petty with Family Promise of Irving described her organization's endeavors to aid the homeless population by allowing homeless people to use the organization's physical address as their own address. Mayor Beth Van Duyne with the City of Irving discussed the highway reconstruction project in Irving. Terri Peaks with

Mothers Against Drunk Driving spoke about their advocacy program, which helps drunk driving victims with financial costs. Deputy Mayor Pro Tem Steve Babick with the City of Carrollton talked about their Coffee with a Cop program that encourages residents to engage with officers. Debbie Branch with the City of Fort Worth gave tips on the proper disposal of pharmaceuticals.

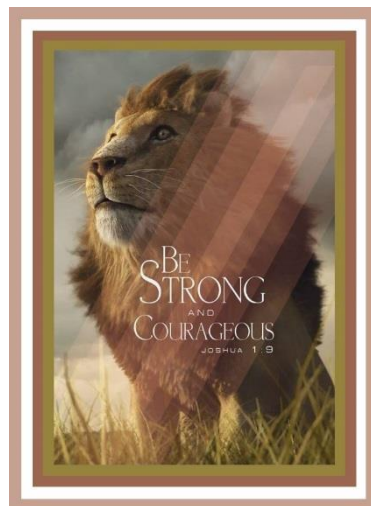

Segments for **Prophetic Whisper** with Aquilla Nash were produced at Shiloh Ranch studios.
