Joy in Our Town

Dr. Greg Romine of Called to Rescue discussed the tragedy of children caught in sex trafficking. Everyone can do something to help rescue someone. We can help stop this epidemic by embracing the values of purity. Only the blood of Jesus can cleanse our conscience.

Rob Anderson of Portland Rescue Mission discussed homelessness and mental health. There are many roads that lead to homelessness and most start in our childhood. Consequences of homelessness degrade mental health. We must model relentless compassion inspired by God.
