

KPAZ Phoenix Report for January 2016

KPAZ's Annual Prayer Program

We are very excited to be preparing for KPAZ's annual Prayer Program, which features over 15 different local area pastors, ministers, and community leaders praying for different spheres of life in the upcoming year. Every year the studio is filled with expectancy as these pastors bring anointed prayers for areas that are close to them. Topics include government, business, media, unity, the unborn, the incarcerated, youth, family, marriages, and unity among the different races and cultures.

*Pastor Gus Korkotselos of Fire and Water International Church prayed for souls during last year's program. He is host of **There is An Answer**, which airs of the Church Channel and the TBNSalsa Network.*

We love to reflect back on these programs at the end of the year and see how God answered the prayers offered during the program throughout the year. One notable prayer from 2015 was from Christine Accurso, the director of the first pro-life pregnancy center in the valley, First Way Pregnancy Center. She prayed for a wave of mercy for women who have had an abortion and that God would bring to light the wrong practices in the abortion industry. We saw God answer these prayers through a series of undercover videos that hit social media through the year. These testimonies make us excited and expectant for what God is going to do through our 2016 Annual Prayer Program.

Donna Kafer of the Arizona State Legislative Chaplaincy prayed for government officials during last year's annual All Prayer program on KPAZ.

Quarterly Arizona Corporation Commission Breakfast

Every quarter the Arizona Corporation Commission hosts a breakfast to discuss the state of the economy in Phoenix and Arizona. This commission is a government elected board that regulates all the utilities and resources of the state. Vanessa Valero attended this year's breakfast on behalf of KPAZ Station Manager Oralena Brazier, representing the station and TBN, and opening the breakfast with prayer.

Peace Light at StarShine Academy

On December 17th StarShine Academy, which is next door to our KPAZ studios, hosted a ceremony for the world famous Bethlehem Peace Light, which is traveling across the whole country. The StarShine student chorus, the SuperNovas, performed, along with their drummers. Vanessa Valero attended the ceremony on behalf of KPAZ and TBN. This was the third year StarShine has hosted the Peace Light, which is a great honor for academy. Each year has been a touching moment for everyone in attendance and this year was the same.

Prayer Partners at KPAZ

Nearly every Friday for one hour precious prayer people from around the valley come to KPAZ's Upper Room Prayer Chapel to pray for TBN, our community, state, nation, and the world. They also pray on the phones with our viewers during our local *Praise the Lord* programs, and even assisted with taking pledges during our recent local Praise-a-Thon broadcasts. We thank the Lord for such dedicated people of God.

Looking Forward to the New Year!

All of us at KPAZ are looking forward to all the exciting things God is going to do in 2016! We also look forward to producing our annual Prayer Program at KPAZ, which is a favorite with local pastors and Phoenix area viewers.

From KPAZ, we want to wish every one a happy and prosperous New Year!
