

**KPJR-TV 38**

**DENVER / GREELEY**

*I've been in prison at CDOC for 12 years. I've been watching TBN for 10 years. It's blessed me with faithfulness and integrity.*

**Proverbs 22:6** Start children off on the way they should go, and even when they are old they will not turn from it.

*TBN has been my Christian anchor for many years. God bless, **Sharon S.***

KPJR had a great time serving at Thrive Life Center Annual Garage Sale. We had the opportunity to share the love of God with people from different walks of life.

Every Wednesday David Clifton Ministries feed people in the Lakewood and surrounding areas of Denver. KPJR had the chance to be a listening ear to those who needed someone to sit with them and simply listen to them. We gave many, many hugs and laughed with many people.

## JOY IN OUR TOWN

**Kirk Weaver, Founder of Family Time Training Center**

The mission of Family Time Training is to train families to teach children Christian principles and values in the home.

"Family Time" is a term used to describe fun, intentional, spiritual lessons in the home. For some, the term "Family Time" may conjure up visions of adults and children playing a board game or watching a movie together. But here, Family Time represents so much more. In addition to spending fun time together, Family Time lessons are used to teach specific Christian values, character qualities, and spiritual beliefs.

**Annette Dotterer, Executive Director of Colorado Family Life Center**

Colorado Family Life Center (CFLC) offers free, one-on-one classes to Aurora and Denver Metro area residents. Class topics include pregnancy, breastfeeding, parenting, fatherhood, safety, relationships, life-skills, and more. They provide a comfortable, safe environment where parents can learn, grow, and provide for the needs of their family. Both fathers and mothers are welcome and encouraged to seek support at CFLC. Our "Earn While You Learn" program assists parents through pregnancy and parenthood. Their priority is to serve teen, first-time, and at-risk parents.
