Whiz Kids Tutoring brings valued resources into neighborhoods where there is a need to bridge the achievement gap in Colorado. Angie Kinney and Kim Soderholm, Field Directors, discussed the importance of reaching children who fall below the literacy line and poverty line. The goal of Whiz Kids is to serve children in the Spirit of Christ and to ensure that no child misses the grace of God.

#### Being the Hands and Feet of Jesus

Chris Mays, Operations Manager of Doing His Time Ministry, explained how difficult it is for families to visit their loved ones in prison due to cost and distance. Doing His Time Prison Ministry provides round trip, low cost, reliable and dependable transportation to prisons for families.

#### Church Security

Carl Chinn, Faith-Based Security Consultant, discussed issues surrounding church security. Carl believe we should embrace biblical teachings to "not worry about your life, what you will eat or drink, or about your body, what you will wear...." But being confident in our faith doesn't mean we stop participation in our own safeguarding. It should be based in faith and managed in action.

#### Rescuing Individuals and Families

Kayleigh Merchant, Congregation Relations Coordinator of Denver Rescue Mission, informed us about the struggles of homeless individuals and families in Colorado. Denver Rescue provides help through their Family Rescue Ministry. Denver Rescue Mission is changing lives in the name of Christ!
