

TBN KC looks forward to partnering with our Kansas City area churches weekly to bring local *Praise the Lord* programs highlighting what Jesus Christ is doing in the Heartland of America. Here are a few newcomers to our local ministry program this past month.

Public Affairs Joy in Our Town

TBN KC taped and airs weekly local public affairs programs addressing top issues in our community such as: civics, crime, minorities, safety, education, health, youth and more. KTAJ was excited to go on location this past month to feature Dr. William Busch from Kansas City Team Smile, a local free dental clinic for those who cannot afford dental care. Contact TBN KC at **816-286-4640** if you would like more information about being a guest on our local Public Affairs program.

TBN KC partners monthly with the Grace House of St. Joseph, Missouri for our His Hand Extended Outreach. KTAJ airs weekly PSA's helping to collect free food, clothing, toys and household goods to those in need.

This past month, Grace House was able to help a homeless family with a newborn baby get equipped with household supplies for their new home and to also supply Easter baskets and church clothes for those less fortunate.

KTAJ has been grateful to be able to share some of our used TV equipment with other TBN stations located in Iowa, Florida, Washington, Mississippi and Alabama! What a joy to bless our sister stations thru utilizing what the Lord has abundantly blessed us with.
