Local Outreach and Networking

KTAJ Station Manager, Julie Cluck and Public Affairs Director, Lindsay Hardiman met with the Executive Director of the Platte County Economic Development Council, Alicia Stephens. KTAJ presented Stephens with a TBN love gift and encouraged the council team to come and tour the station. Stephens kindly provided numerous contacts and information for local public relations leaders for us to connect with on our local *Joy in our Town* program. KTAJ was able to book many guests as a result of this meeting! As KTAJ continues to get settled into our new neighborhood we appreciate the opportunity to network with our local civic minded community.
