Palmetto Ridge High School Band marching in front of St Patrick's Cathedral.

NY Governor Andrew Cuomo visiting guests at the NYC parade!

Who is St. Patrick?

St. Patrick is an excellent example of a life fully committed to God and His purposes. It was during his time of captivity he was convicted that he was a sinner, and came to a saving knowledge of Jesus Christ. Through the missionary work of St. Patrick, the Gospel of Jesus Christ was brought to Ireland where he baptized thousands, erected 700 churches and ordained 5,000 priests. They say he brought over 100,000 people to Christ. The three leaf clover represented the Trinity.

St. Patrick's Day!
