West Indies	44
(Bahamas, Jamaica, Cayman Islands, Grenada)	

### Testimonies

A woman in North Carolina is praising God for a brother from church who was healed by the Lord. He agreed with TBN prayer partners, for he was unable to walk, and is now delivered from his wheelchair and walking again. Hallelujah!

A woman in Oklahoma was diagnosed with a cancerous mass in her lungs and called the TBN prayer line for agreement in prayer for her healing. After prayer she had another examination with her doctor and the results showed that she was cancer free! She and her family are now praising the Lord, and thank TBN for praying for her.

A woman in New Jersey called the TBN prayer line continuously to pray for a job and a home provision. The prayer partner and caller believed that this would be done before the year was over and stood on God's Word, Ephesians 3:20. Shortly after the call someone called her from a job she had not even applied for and offered her a great job with benefits. Now they are looking to buy a home and are looking for the one God has for them. Hallelujah!

A grandmother in Texas called TBN for prayer concerning her grandbaby who had a serious respiratory infection. After prayer the baby's infection was completely gone in a miraculous and speedily manner. Everyone is praising and thanking God for His goodness!

A man in Maine was filled with the Holy Spirit during prayer on TBN prayer lines and now feels God's Spirit alive and effective within him! Hallelujah!

A man in Missouri is thanking God for the TBN prayer partners because he was praying for his business to be successful and after prayer his business has expanded and has thousands in revenue. He wants to thank TBN prayer partners for agreeing with him and God because of his success, but also because he was able to completely pay off his five-bedroom home Hallelujah!

### **Comments from Callers:**

Shronda from California: *"Praising God for our TBN prayer ministry for lifting up my mother in prayer last year for her healing after surgery. Today we celebrate 83 years of her life and we thank God for her complete wholeness!"*

Shirley from Ohio: *She is thankful and grateful for TBN because she can call for prayer at any time. Last year she was in much need of agreement for her sister who was involved in a severe accident and is grateful she was able to call someone. She is certain that because of TBN's prayer agreement God spared her sister's life.*

Gary from Ohio: *"I want TBN to know that I love you and all the TBN prayer partners. The prayer partners have touched my life greatly and have led me to the saving knowledge of Jesus Christ. Thank you!"*

Glenn from Texas: *"I was flipping the channels feeling depressed and burdened and stumbled on a children's program on TBN's Smile of a Child. This was the first time I have heard of TBN and I have to say that when I heard the funny voices coming from the characters I began to experience so much peace and joy! I have never laughed as hard as I did that night listening to a cucumber and a tomato singing to a sweet pea. Keep up the good work TBN!"*

Mrs. F. from California, *"I am praising God for TBN's Smile of a Child programming! I am a woman who has been sharing the love of Christ Jesus to Jewish woman who enjoys 'Lassie' and can see a door open for her to come to know Jesus Christ through TBN programming. Keep up the good work. I am so blessed to tune in."*
