## **Testimonies**

A woman in Alabama called the TBN prayer line to receive Jesus and began reading the book of John. She then began to feel God's immediate presence and peace, and thanks God joyfully for always being with her. Praise the LORD!

A woman in California called for prayer for her healing as she was extremely ill, unable to eat, and had trouble swallowing. However, after calling the TBN prayer line, the LORD did a miracle and she is now healed and eating again! Praise be to God!

A woman in a Florida hospital saw a woman who was in an ER room where TBN was being aired. The patient did not know about God but a preacher on TBN told the viewers to call and receive Jesus Christ as Lord and Savior, and that He would wash away their sins. Even though she could not call herself, a nurse helped her make that call where she ultimately received Jesus Christ and now plans to know more about Him in his word! Hallelujah!

A woman in Alabama called to pray for her pastor's wife whose heart stopped beating and she was passing away. However they immediately called the TBN prayer line for agreement in prayer and her heart started beating again. She is now healing daily and recovering. Praise God!

A woman in California called the TBN prayer line because she was curious what the number at the bottom of her TV was used for. The prayer partner proceeded to tell her that it was a prayer line and she asked if they could pray for her granddaughter who needed healing in her kidney. Immediately she began to feel the Holy Spirit's peace and was so blessed with this prayer line she decided to become a regular donor. Hallelujah!

A sister from Ohio called to pray for her brother who had a failing heart and kidneys, and was also sick with pneumonia in the hospital. She is rejoicing because after prayer with the TBN prayer partners the LORD did a miracle and he is now healed and has been released from the hospital. Thank you LORD!

A woman in Texas called the TBN prayer line to pray for finances in the amount of \$30,000 for a house down payment and by faith she donated \$500 to TBN. The next day she was blessed with unexpected money in the amount of \$35,000. Hallelujah!

## **Comments from Callers**

Susan from South Carolina: "Praising God for TBN prayer partners who are so loving when you call. When your heart is low and broken, their prayers are full of God's word bringing comfort in times of need when no one else can pray and agree with you. Just knowing that TBN is there when you need to pray with someone is such a blessing and one reason I give to TBN because I know not only are my prayer needs being met, but those of others as well."

Linda from West Virginia: "A lot of people are lonely during the holiday season and I thank God for the TBN network and all who join in the ministry. I feel comfort and warmth in my heart because of all the beautiful programs, movies, prayer partners, and ministers that serve in God's ministry. I love all of you!"

Jeanne from Massachusetts: "God used TBN to reach us when we were in our darkest time and our lives were broken. We had not been to church in a while and we thank God for using TBN to be our church. You truly have blessed our hearts!"

Everett from North Carolina: "I am praising God for TBN and for Dr. Paul and Jan for all the TBN memories, programs, and testimonies! It has given me much strength over the years to get me through life. I lost my husband who was a pastor and was left in charge of an entire congregation, and of our three children. Dr. Paul and Jan's story from years ago brought me the strength I needed. I could hear the Holy Spirit in the stillness of my heart say Paul is heaven now. Like him, continue to win souls for Jesus Christ! I received confirmation as I bent my knees to pray and on the TV screen they were doing the same. I immediately rejoiced and was in awe for God's greatness and confirmation!"

Rosemary from Connecticut: "I am thanking God for TBN being on 24 hours at all times! The LORD did a miracle this morning and has healed my body while I was watching TBN. I was very weak and sick and now all the sickness is gone!"

God Bless,
