TBN SALSA JUNE REPORT

This month we taped four new episodes of Faith With Flavor. This one in particular featured the wedding of Jessica and Vincent Shakir on the topic of waiting on the Lord for your future spouse.

We taped another successful Praise "Salsa Style" (pictured on the left) Father's Day special that aired on Father's Day.

TBN Salsa Praise Report

"I love what you guys are doing and the platform you're giving us Hispanic Americans of 2nd and 3rd generations. Makes me feel proud to be a Hispanic American leading a church! Bless you guys!"
- Elias Recinos

TBN Salsa also taped a new Praise "Salsa Style" at the JESUS WEEK Concert in Times Square. The event was so successful that there were three different mentions of TBN Salsa by The Christian Post, CBN, and End Time Headlines.
