TBN Asia
Report for April 2016

Philippines 4 Jesus

Philippines4Jesus, led by Dr. James Horvath, was a nationwide campaign with a purpose to see the nation of the Philippines changed through the work of the cross. Philippines4Jesus held a “Billy Graham” style crusades throughout the Philippines (in 25 cities simultaneously) last November 15th through 29th, and TBN Asia served as the arm for promotions. We helped through inserting promo videos in our channels and through our social media accounts.

Jesus Reigns

Jesus Reigns is an annual nationwide simultaneous celebration held to honor Jesus of Nazareth to proclaim that HE REIGNS over all the nations. Over 81 provinces throughout the Philippines participated in this event.

The event kicked off November 30th 2015 with a grand parade of floats depicting the different attributes of God while the people were singing and dancing and making a joyful sound declaring that JESUS REIGNS! This was followed by a unified prayer for the different towns, provinces, and the nation, as well as for the nations of the world and Israel. An evening of praise beautifully expressed through musical instruments, songs, dances, and creative movements kept the momentum of worship into the night. As a finale, a spectacular firework display kept the eyes of everyone looking up declaring that JESUS is big enough to REIGN in the heavens yet small enough to reign in our hearts. JESUS REIGNS!

The event was a success and TBN Asia was the arm for promotions. We helped by inserting promo videos in our channels and on our social media accounts.

Revive Asia Conference 2016

We partnered through Living Streams Ministries and Revive Asia’s Pastor Chee Kang Seng, who gathered 37 nations for the conference. The Revive Asia Conference, which ran January 8th through the 10th, was held at the Queen Sirikit convention center in Bangkok, Thailand and had an attendance of more than 7,000 delegates.

The 7,000 delegates gathered together to worship our Father in love and in unity in the center of Bangkok, Thailand for the very first time. We believe that this is the beginning of something bigger and greater than what we could ever imagine God wants to do with Thailand and other parts of Asia.

Posters that were distributed nationwide included the logo of TBN Asia as the official media partner. There was also a souvenir brochures with the back page acknowledging TBN Asia's partnership.

We interviewed some of the delegates on how they learned about the Revive Asia conference. One of them is from Bacolod City Philippines and they got the information through TBN Asia, He's an avid follower of TBN programming.

Great speakers like Bill Johnson and Randy Clark were able to talk to us and were glad that TBN Asia was part of this big gathering. They wonderfully acknowledged our presence.

SEVEN LAST WORDS (Holy Week Special)

TBN Asia produced a three-hour special which aired March 24th and March 25th, Good Friday. This program consisted of pastors from seven different ministries discussing the seven last sayings of Jesus. It was aired on the Beam Channel Philippines from 12:00 a.m. to 3:00 a.m.
