4. Testimonials

This month we have had many calls with prayer requests, gratitude from the audience by having TBN in their homes, and thanking God for answered prayer. Below are some testimonials:

- I'm from Madrid, and today I watched your channel for the first time, and I think it's great. **Fatima. Madrid***

- *I was very desperate due to problems with the house that I rent, and had nowhere to go live, so I called for prayer to TBN, and I am grateful because the Lord answered; owners of the house told me I could stay as long as I needed. I thank God because TBN is a blessing and its programming is helping me a lot.. **Elena. – Madrid***
- *A few days ago, I called to TBN España, asking for prayer so that the Lord will grant my son a job, and he answered me very fast: My son has the job he wanted. I am very grateful to the Lord! **María. – Norway***
- *My son needed a healing of the colon; I called requesting prayer to TBN and supernaturally, God has healed him. Doctors do the analysis again to him and everything is in order. Glory to God! **Elba.- Madrid***
- *I thank God for TBN. A year ago, I tuned TBN. At 35, I had lost a child, my husband had abandoned me, and I was in the alcohol. It's a miracle how I found TBN, since then I have received a lot of peace and comfort in my life. **C.S. – Madrid***
- *My grandson had problems with his kidney; I called asking to pray for him in TBN, and God made the miracle; the kidney is working well! **Piedad. – Madrid***
