

TBN Salsa January 2017 Report

It has been another successful month for the TBN Salsa, with the launch of two new programs for the network.

Choose Greatness with Ron Ball (pictured, right) has been added to the line up. This program talks about all the ways we can live life to the fullest with God.

Another great addition is *The Chuckie Perez Show*, a family friendly comedy show. Hosted by Chuckie Perez, the program features a blend of family-friendly skits, stand-up comedy, interviews, performances, and more.

TBN Salsa continues to grow! We just hired a new editor, Jesse Ramirez (pictured on the left). Here he is working on *From, Israel With Love: A TBN Salsa Special*.

From Israel, With Love: A TBN Salsa Special will premiere on *Faith With Flavor* in the month of February.

Also, we will air a one hour special that will include all five programs into one in March, leading up to the Hillsong Israel tour.
