

TBN Salsa September Report

September was another busy month for TBN Salsa. We had another night of *Praise Salsa Style* with the Destiny Church worship team.

Pastor Obed Martinez interviewed another fellow TBN Salsa programmer, Evangelist Rick Reyna, on *Praise Salsa Style*. Rick shared about the vision God gave him to start his ministry.

Zac Archuleta is the founder of the Lost Boys Project, a skateboarding ministry based in Orange County, California that helps young skateboarders learn about Jesus Christ. He shared his story on *Faith With Flavor*.

We also taped a brand new episode of *Candid Confessions*. During the segment, we discussed the pros and cons of social media. The panel included (from left to right) founder of *She Is*, Alli Joy Vazquez, Pastor Shana Ruff, Pastor Teresa Alvarado, vlogger Eimi Mitchell, and host Donna Clayton.
