Extracts from letters to TBN UK

Mr B., April 18, 2016: “We really enjoy TBN. It’s such a blessing. Also, thank you for sending the timetable every month. I am able to record what I want to see. God bless you all.”

Vivian, April 14, 2016: “A big thank you to God and to TBN UK. TBN has been my daily inspiration and I thank God for the wonderful gifted men and women of God preaching the gospel to the UK and the whole world.”

Nigel, April 14, 2016: “I have been very blessed and impressed by the quality and excellence of the Christian Programmes on your network. God bless you all at the network and thank you for what you are doing.”

Susan, April 7, 2016: “I am so thankful for your ministry. I came to Christ around ten years ago through an evangelist friend and had been bereft of fellowship for some years before I stumbled on your channel. I have joined a local church and am greatly blessed. I enjoy Joyce Meyer, Bob Gass, Angus Buchanan, and Cynthia Garrett. I watch them daily. For about a year I have been troubled by ill health which I pray about daily, but I know God has a reason for this and will wait on the Lord.... May God continue to bless you in your ministry. I have recommended and shown some of your programmes to my friends and tune their TVs so that they can receive them too!”

D., April 7, 2016: “Friends told me about your TV channel. I am an old widow and find your programmes a real help. It is so good you can reach so many all over the world with the good news.”

Elaine, April 7, 2016: “TBN has truly blessed my life. I watch it daily.... Jesus has transformed my life. Praise the Lord! As a partner may God increase your great work for his kingdom. Amen.”

Anonymous, April 5, 2016: “My daughter recommended the TBN UK channel just before Christmas 2015 and as I viewed the many programmes, it has been a blessing for me to see the ministers of God preaching His word. Thank you for spreading God’s word on TV.... God bless you all.”

Pauline, April 4, 2016: “Dear all at TBN, I am writing to thank you for setting up TBN in Britain and bringing us some excellent programmes over the past twelve months. It is great to hear the gospel preached, have some excellent teaching from the word of God, and to be encouraged daily.... I am certain that many people are being blessed as I am. I would love to partner with you in the Lord’s work so I am enclosing a cheque.”

Extracts from letters to TBN UK continued

Peter, April 4, 2016: The station has been very enjoyable, encouraging, faith building and restoring since coming on the air last year. I have particularly enjoyed the bible teaching of Joyce Meyer, the movies and the music. I pray that enough funds will continue to be raised so that TBN UK will indeed be here with us “for life”.

Margaret, April 1, 2016: I want to tell you how blessed I have been by TBN UK. I have been healed by God through Terry Pat prayer time. I always stand in front of the TV when they pray for people and I pray with them. When Terry said there is someone who when they eat gets swollen and bloated tommy. I don't know if it is the food but the Lord is healing you. I received that as that was what was happening to me, I believed the Lord has healed me. But the swollen tommy has not yet gone but God says do not be moved by what you see or feel only believe. So I am thanking God for healing me every day. I feel healed and whole it is like I am being hugged from inside. God is so good. I am 82 years old and I gave my heart to God on April 9th 1978. He gave me a new name Princess Margaret, The King of King's Daughter. God bless you and your families. I love you all!

Sandra, March 30, 2016: I am 72 years of age and so very thankful to God for TBN UK. I get up in the mornings and listen to Joseph Prince. I try to get back from town to hear him again at midday. What a blessing this has been to me! My days can be a bit lonesome, but of course I am never alone. Thank you all so very much for your love and faithfulness in our precious Lord.

Clement, March 30, 2016: Happy Easter to you at TBN UK. I have celebrated Easter in good mode and happiness for the first time in a year. TBN UK Channel 65 tells me what I wanted to hear at the right time and period. I want to thank you for your prayers. My health has improved but I tell you it is too early to give up, therefore I request for more prayers. Thanks.

Diann, March 30, 2016: “Dearest precious beloved saints of God at TBN UK. Just thanking God for every remembrance of this truly wonderful international TV channel. God is so good to us, always meeting us at the point of need and privileging us with opportunity to sow into his wonderful worldwide work. Thank you Richard for your letter of encouragement. TBN has transformed my life with teaching, preaching and outreaching on this channel. To see the young people so full of passion, purpose and joy. Oh that Great Britain would once again become passionate and excited about the transforming word of God and the call on our lives – to let God out of the matchbox that we've placed him in. Nothing is too hard for the Lord and everything is possible with him so be encouraged dearest TBN family. God will meet the needs of TBN. In my 30 years of being a Christian he has always met my needs. He is always faithful, and is able to do more than we can think, hope, or imagine, both personally and corporately. Amen and Amen, in his love!”

Ian, March 23, 2016: “Thank you for the partner resources you send to us. They are such a blessing and are faith-building. Also we are so blessed by the quality and variety of TBN programmes. You have blessed us more than could expect. (Eph. 3, v. 20). Love in Jesus!”

Miss R., March 21, 2016: “I and my family have been blessed through watching TBN. Can't stop watching it! What an amazing resource to spread the gospel. Keep up the good work!”

Extracts from phone calls to TBN UK

Noeline, April 18, 2016: She is 87 and is already a partner with TBN UK but she said she wanted to give a donation of £5000 to TBN UK after seeking God's direction. She was led to do this because she wanted TBN UK to have the gift before she went to Heaven. She is looking forward to going to Heaven.

Dorothy, April 18, 2016: "I watch TBN UK every day. I just love TBN, including Pastor Michael White and Bishop Wayne Malcolm. I got saved in their church, where Michael White's father was the Bishop, so I have known them since 1978 and I watch them all the time."

Partner, April 15, 2016: This partner called to say thanks for the two books, *Don't Limit God* and *Hope and Grace*. She appreciates them and she thanks us for the good work that we are doing. She blesses us.

Pauline, April 12, 2016: "TBN UK has been a blessing to me. One of the books you gave me, *The James Code*, has been a blessing. I have been telling people about this book and where I got it from. I have been keeping it by my bed and have been referring to it. I am getting a good library here. There is so much insight in every single one of the preachers from Pastor Prince to Mr. Hagee. I get different things from different ones. I like the *London Sessions* as well. I think everything has been so blessed and to answer everybody's life no matter where they are from – from the children's programme to everything. Use whatever I say if it blesses someone. It really blesses my life. Every resource that you have given I have been so blessed with it but particularly *The James Code*. I am telling everybody I know and I meet just to watch it and be uplifted. To just give it a go and it was so what we need. This country is so dry for the the Word of God. We've gone to sleep and we need this to wake us up."

Jan, April 12, 2016: She was watching *Partner Time* with Richard and Leon and was moved by what Leon said. She felt that he was giving birth to what she was waiting for. He encouraged her to stand firm with God. She felt victory and as she was listening she felt the movement of God and the Holy Spirit. She suffers from FBRO, a muscle wasting disorder, and felt a lot better from Leon's words which were new to her. Now she doesn't fear Satan.

Pam, April 11, 2016: "Thank you for supporting us. We feel we are growing in Christ."

Colin, April 11, 2016: "I'm so blessed by the work TBN UK is doing ... and I am utterly impressed at the solid scriptural teaching that's on offer. It feeds my spiritual understanding and I thought this is something I simply must partner in."

Extracts from phone calls to TBN UK continued

Frances, April 11, 2016: “I’ve been enjoying TBN UK since it came in 2015. It’s been such a blessing. I’ve been watching it every day. I’ve really enjoyed Joyce Meyer and Michael White. All of the pastors have been marvelous. TBN UK is a network that is spreading the Word of God to the whole world and that touches my heart.”

Suzette, April 4, 2016: “I absolutely love TBN! If it wasn’t for TBN I wouldn’t have survived some of the things I’ve been through. TBN has prayed with me and God has freed me from an addiction to horoscopes. I’m glad to be part of this network.”

Gillian, April 4, 2016: “Without TBN UK, I don’t know where I would be. TBN has been my lifeline during some difficult periods in my life. I had prayed for TBN UK to be available on Freeview and am so pleased with what the Lord is doing through the channel.”

Richard, April 2016: A pastor called and said that an entire family of Muslims were watching TBNUK and all five walked into his church and dedicated their lives to Jesus.

Pauline, March 31, 2016: Pauline is blind and listens to TBN UK regularly. Her testimony is: “I was going through a phase of clinical depression following a diagnosis of a continuous ringing in my ear. This, combined with my blindness and limited mobility, made me feel very low. But when listening to Joel Osteen on TBN, Joel spoke a prophetic word of encouragement and said, ‘You wouldn’t still be here if the Lord didn’t want you here. From that moment I was healed from my depression and felt the peace of God. TBN has been a great encouragement to me in my situation. Amen.”

Henry, March 31, 2016: He recently contacted TBN UK for prayer for a job interview he was going to. Later he rang TBN to give thanks and say, “I thank God that I was given the job offer for a part time role. I start the training on Thursday, and I am believing the Lord for greater things. Thank you TBN.”

Emily, March 31, 2016: She asked for prayers for the right connection for her business which is a clothes company. There was divine intervention when she met a person miraculously. This meeting has been influential and she is rejoicing. She thanks us for our prayers.

Brenda, March 29, 2016: "I can shower praises upon praises for TBN UK. It's a shame it took so long to bring a Christian channel here. I am from South Africa and when I came here I searched high and low for a radio station much less a TV station. I couldn't find one and then a friend told me and I said I found one! I always tell people about TBN."

Mark, March 23, 2016: We prayed for him concerning his CD which he was putting together so that it will be aired. The recording went well and the project is finished. He thanks us for our prayers and encouragement.

Partner, March 2016: A partner telephoned to say thank you for the book *Don't limit God*. It has been a blessing. She thanks TBN UK For the blessing it has been in her life.
