Extracts from letters to TBN UK

Sheila: 'Dear all, Thank you for the great and uplifting programmes you broadcast. May God bless the work that you are doing. I enclose a cheque towards the work that God is doing. Regards.'

Jean: 'I am writing to give a donation in memory of my late husband Johnathan, a man full of love for the Lord Jesus. My husband died on Easter Sunday 2016. We were married for only 5 months. I was very sad and angry and may I say with God also. I was full of questions and no one to ask. A good friend told me about TBN and a few days later I found it and have not looked back. I have been overwhelmed by every pastor, the sermons and music they have given me wonderful insight. And I am in a better place. I still feel sad and miss Johnathan but I am no longer angry. I have joined a lovely Bible believing church and I am now making new friends and have their love and support which is helping me to carry through this season of grief. The Lord is walking me through this valley. I know longer feel alone. Praise God. With love and prayers.'

Mavis: 'Thank God for this wonderful ministry, I'm no longer lonely as my soul enjoys the sweet messages and songs. God bless you all to continue this good work.'

Francis: 'Firstly I would like to compliment you on your wonderful channel. It has helped me overcome severe depression which I suffered over a long period of time. As a result I have managed to reduce my medication by half since I started to watch TBN UK. I love watching Sid Roth, *Hour of Power*, *Precious Memories*, Jack Graham and of course *Partner Time*. I am encouraged when I see that new partners join your channel each week. I know for sure that Jesus is on his way back and that TBN UK will be broadcasting beyond 2017.'

Cynthia: 'Thank you for the book. TBN is a real blessing. I have enjoyed Leon Fontaine too. There are so many wonderful programmes. One of my favourites is Bobby Schiller. He is such a gentle, loving pastor. And *Partner Time* of course and *Jewish Voice* also. The documentary of the Bible codes and the pastor carrying the cross around the world, all so encouraging. Love and blessings to all.'

Elizabeth: 'Thank God for TBN UK and for all your preaching. God bless you with love in Jesus.'

Christopher: 'Please continue to do the good work, bringing powerful and practical teaching into the homes of many. Reaching to all the importance of the good news. Kind regards.'

Pat: 'I am sending a donation to you and a small part to Joyce Meyer as well. I have lost my husband in April in a car crash. Thank you for all you are doing and I pray that you grow. My husband was my carer too and so your programmes are comforting me beautifully. Thank you.'

Donna: 'Hello Brothers and Sisters. I would like to give a gift of £360 to the TBN Channel. It has been such a blessing in my life. And would like to keep it on air. Thank you very much. God bless you all.'

Mrs O: 'I am sending in this cheque to thank God for his mercies. I was very happy to come across your channel on Freeview 3 months ago. It is really important that we can receive a Christian channel in the UK on ordinary TV. I pray that God will sustain you so that His Name will be preached everywhere. Amen. Best Wishes.'

Mike and Jean: 'Just to say thanks to you all. We thank Jesus we are able to support you in your work, you will never know what a blessing you have been to us over the last few months. Thanks for CDs and books you have sent. We do appreciate you.'

Ms T: 'May the grace of our Lord Jesus Christ and the love of God continue to be with the team. You're doing a great and wonderful work for the Lord who I worship with Psalm 71:8-9: "My mouth is filled with your praise, declaring your splendour all day long. Do not cast me away when I am old; do not forsake me when my strength is gone." God bless you!'

Christine: 'Thank you for your letter dated July 16th. May the Lord bless TBN ministry as you continue the legacy of Paul and Jan Crouch to bring people into his kingdom. I would like to be a part of God's work that goes on forever through TBN UK. May God bless you and your staff who invest your lives for the glory of God.'

Poppy: 'Dear TBNUK, thank you for being there for me. I wholly belong to Jesus, but He is using you to enrich my life and walk with Him. Thank you for opening up the Bible to me. I can't put it down, and I am learning all the time I go along my way. All the glory to God. Enclosed is £50 towards your walk and work with Him, reaching out to the many. Bless Israel. Love in Jesus.'

Mary: 'It was lovely to chat on the phone about how much Pastor Joseph Prince's teaching of God's love and grace has caused me to say WOW! I'm blessed and highly favoured, and greatly loved, unconditionally. I felt so angry when I realised that I had been deceived for so many years. However I am so thankful that the Lord has restored to me the years that the swarming locust has eaten. The crawling locust. The consuming locust. And the chewing locust. Praise the Lord our God who has dealt wondrously with you and me. 'My people shall never be put to shame.' Thank you to all who seek to proclaim the gospel in Spirit and in Truth.'

Jacqui: 'Dear Sisters and Brothers in Christ, Just to say what a great blessing your outreach has been in my life, especially recently as it has been used to speak directly into my life through Cynthia Garrett on your Identity in Christ: You can lose everything but your identity in Christ never leaves you. Joel Osteen: God's anointing can strengthen you in times of ill-health or financial. Also times of hurt you can walk on through. John Hagee: Your marriage is more important than money. Downsize if you need to. He made humorous comments and had a good laugh. RT Kendall: I will restore to you the years that the locusts have eaten. All things work together Bishop Michael: I will bless those who bless you. You are doing a great job proclaiming the gospel and encouraging the saints and everyone who listens. Also saving lives now and eternally. May God richly bless you. Take care.'

Mabel: 'TBN UK has given me strength through my darkest hours. Thank you all at TBN UK all you who are involved. It brings me comfort, I can longer attend my church. They visit me and bring me communion.'

Mrs B: 'I am 93yrs old and I cannot get out to church as I used to so I am grateful to TBN for all the sermons. I can listen night and day. Once again thank you ever so much for all the good work you are doing. God bless.'

Hercules: 'Much love and prayers in the name of Jesus Christ our Lord and Saviour. Enclosed is a donation to help your with your bills. Yours in Christ.'

Extracts from phone calls to TBN UK

Michael: He called to say that he watches TBN a lot and it gives him spiritual food. It's great and he loves the English accent. He also likes the USA broadcasts and he particularly enjoys Joyce Meyer, Joseph Prince and many more.

Karen: 'That was the best PTL I have been to . . . Everything, the speakers and the praise and worship... and for me, I really felt God's presence... I really hope you guys get them back... It was the best... It's amazing how the Holy Spirit speaks. Last night I was discussing earthly fathers and tonight Pastor Jenny was talking about rejection and not having an earthly father. It took me a few minutes but I knew God was speaking to me. I need to watch it again. God is amazing... it was awesome.'

Bronwin: 'I think TBN is wonderful. Some of the speakers are absolutely wonderful. I've learned more from TBN than I did from church. It's been a lifeline for me.'

Norman: He said he wanted to increase monthly donation because he was so blessed with having found TBN UK. He can't believe how it has changed his life. He had gone cold with the Lord but now he is on fire for the Lord. He loves everything that we are showing and he just wanted to bless us (with his donation). He said, 'I can't tell you how it (TBNUK) has brought me back (to the Lord).'

Carole: She rang up to increase her donation and had this to say: 'I already partner with you, but I wanted to increase my donation as I'm currently looking around for a church and realised I'm not tithing, so I would like to tithe to TBN UK as you are my church at the moment. I have been so blessed by the sermons given by all the wonderful teachers on your station. I particularly like Joseph Prince. I'm over 60 and for the first time in my life I get it: that grace is a free gift not dependent on works. I also like Joel Osteen, RT Kendall is brilliant, and the *Potter's Touch* are my other favourites.'

Extracts from phone calls to TBN UK (continued)

Viser: He rang to say he has an MRI scan in 5 minutes time and was feeling scared. So we prayed for him and he rang back later to say he felt really relaxed through the whole process.

Poppy: Wanted to encourage us. She is a timid converted Jewish believer but felt she should talk to a troubled-looking lady on the street today, who she prayed for there and then! She encouraged the lady to check out TBN UK to get encouragement for her life.

Dwayne: 'I watch your channel every day. I'm in prison.... Miss my wife and my kids in Jamaica and the UK. I watch your channel every morning and that is what saves me.'

Karen: 'Hi just want to say I love TBN. I am growing every day from the amazing talks. Have a blessed day.'

Louise: 'Received a Max Lucadobook last year and was so blessed by it – it did the rounds. The message "It will be hard – but at the end it will be SO worth it" – was so pertinent for me. Praise the Lord.'

Anonymous: The caller said she was so blessed by the station. 'My life and the lives of people around me have been completely transformed.' She is trying to get her neighbour onto TBN as well!

Shirley: 'I find the programme content absolutely amazing. My whole family has been blessed. The calibre of the programming has upped since Matt and Laurie took over at TBN. It is fantastic! I want to increase my donation to TBNUK as a direct result.'

Elizabeth: 'TBN has blessed me beyond belief. I just thank the team at TBNUK for the enormous blessing I've received from the ministry and programmes. You can tell everybody!'

Cleo: 'I was watching TBN UK this morning. I'd heard an interview yesterday, and asked God to speak to me today as I wanted answers. I had the feeling I should switch on the TV. It was an American preacher and he told the viewers to agree with him in prayer that the devil would give back what he'd stolen. I connected with him and looked him in the eyes as he prayed. My husband came in at the same time and prayed for me too. I'm ringing to say I've just received a phone call that I've been successful and got the job I was interviewed for! I'm praising God, grateful and thankful for the programmes as I've been getting comfort and strength from the word of the Lord.'

William: 'I'm glad I have the gospel on the TV. I got born again in 1974. I love the good testimonies and the great speakers.'

Extracts from emails to TBN UK

Just to say that the Praise the Lord UK programme with Life Church Worship, Ben Cooley, and Dave and Jen Gilpin was great. Well done TBN UK. Praise The Lord!

I thoroughly enjoy, and appreciate, Michael White's Bible teaching on *Momentum*. He makes it interesting, informative, and personal. Excellent!

Love watching TBN UK. Since I've been watching it has touched me and I'm reading my Bible again I feel like my faith is coming back. I love watching Dr. David Jeremiah, Pastor John Hagee and Pastor Matthew Hagee.

Peter Wenz was excellent at Empowered 21 which I watched on TBN UK. I would love to hear his preaching.

I love this channel. I find that I watch it and always feel inspired and uplifted that such a simple program that talks of love and belief can create such an impact and ripple affect. The music is also amazing, I always make sure to look up the songs I get inspiration from, and play them at the start of my day to give me a positive attitude for the day to come. Thanks so much for this program.

I thoroughly enjoy and appreciate the excellent Bible teaching of Robert Morris in *The Blessed Life*. Sound Bible teaching with a sense of humour. I wish that there was more than just half an hour once a week.

It is great that we have The Word broadcast 24 hours a day. Of course the coverage of the great ministers from around the globe is excellent. I love Bill Johnson, TD Jakes, Beth Moore and of course Joyce Meyers and the list could go on. It is a delight to hear our UK ministers a different voice and delivery so refreshing. Bishop Malcolm is exciting to listen to, as is the Ray Bevan. I tune in most days and it catches the ears of my family occasionally. Thank you for a great job. There is a powerful acceleration and awakening rippling throughout the church, the world and this nation, it would be good to hear latest views or prophetic word during this as the politicians say seismic change. Bless you all at TBN.

TBN is a Godsend. Godsend sent from heaven

Thank you for the inspirational programmes
