Extracts from letters to TBN UK

Brian and Lindy, December 19, 2016. 'We continue to be greatly blessed by God's Word, via your broadcasts. There are many encouraging speakers, R.T. Kendall, Caleb, Wayne Malcolm, Angus Buchanan and Joel Osteen. We especially always get up to watch him (Joel Osteen) at 7am. Same with Jesse Duplantis; we never miss him, a real character yes; but most importantly he is so very sound in his faith and doctrine. God's blessing be upon your outreach.'

Anon, December 19, 2016. 'Thank you so much for getting this wonderful channel on air. May God help you to keep broadcasting. God bless you all. He is an awesome God!!'

Theodora, December 19, 2016. 'Thank you very much. No words can explain how God has been using TBN to be a blessing not only to me but my entire family; and the monthly gifts I have been receiving from you. God bless you and may He expand you. In Jesus' Name Amen.'

Mrs B, December 19, 2016. 'This letter is long overdue, I found TBN UK in August 2015. I was switching channels to find something worth watching. I could hardly believe my eyes. Thank God for answered prayers. For so many years I have been praying for the city (Sheffield) and the nation to turn back to God. The timing of the arrival of TBN UK is so significant. The Lord has done this. He will not let it fail, trust Him. The moment I saw your request for partners, the Spirit showed me an easy way. I collect my pension at the Post Office weekly. There was seven pounds I would often leave to build up. Well there it was, at the end of a month....

In April of this year I had my 80th Birthday, which meant a small increase which I have added to my giving. I can hardly wait for more blessings so I can bless this ministry. I have had three sets of your flyers, which I give out and tell everyone about TBN. These are the days when the Spirit is speaking to those who have an ear to hear. Thank you for all the gifts, I love them, especially *Revealed*. I am into it right away. As I am writing this I can hear the final song of Big Church Day Out. How worshipful. I love all the programmes and I am learning so much. I am glad I didn't miss Dr. Joshua Joy Dara. He is truly a joy. The printed schedule was most helpful as I am not on the internet. Sorry about the handwriting. Hope the Lord will Bless you and all your team, as we thank Him for the best gift He has given to us.'

Lorraine, December 20, 2016. 'May your broadcasts continue on Freeview as they are such a blessing to many who may not have Sky or cable, especially the poor or elderly. May God bless you all.'

Evadney, December 20, 2016. 'I have been watching TBN since my husband died in March last year. When my daughter was at her father's funeral last year, she said, "Mum, watch TBN", and what joy I get from it. I watch 24/7. It has given me such comfort. I still grieve (the loss of my husband), I still hold on to Lord Jesus. Since I lost my husband, I myself have been taken ill with cancer in my womb at 77 years old, thank God they caught it in time. I went for a check-up and the doctors told me they cannot find anything (cancer). Have a nice Christmas and happy new year, God richly bless you all. Amen.'

Eileen, December 21, 2016. 'I thought you might like to know the testimony of a young man who got saved through your wonderful ministry. a 21year old African young man watched a lot of your shows. He was bound by drugs and lived by the next f k. His waking thought was the drugs. After watching your shows he realised he needed God, and one night 2 years ago knelt down and gave his life to Jesus. The next morning he had a miracle. He did not desire any drugs. Instead he had wonderful peace. Praise God!! I asked him today if he had ever thanked you. He said no and so I said I will write for you. He now works full time as a security guard. Thank you TBN, keep up the good work, God bless.'

Elizabeth, December 21, 2016. 'I watch your TBN channel 65 in Camden and I feel really fortunate to be spirit f lled as I hear and hear some more, the Word of God, especially so many of my favourites: Joyce Meyer, Kenneth and Gloria Copeland, T D Jakes, Pastor John Hagee, and yourselves of course with so many more. How comforting it is to know we have your program to look forward to when we get home. That's how I relax and I am starting to tell more people about it. I have so much to learn through Christ Jesus and I seem like a backslider time and time again in and out. Drugs, broken relationships, addiction, depression, health but I am still standing on God's healing scriptures as I was and I am healed by the stripes of Jesus. Years ago and on a daily basis I was standing on shaky ground. Benef ts problems due to health issues and not being able to work as I was deported from the USA and that's when I became a partner with you. I enjoy helping others andseeing the light of Jesus go on in them. It's God's gift to us as the word says he comes to bring us life, love and light to the world and a sound mind. Amen!!'

Mrs D, December 28, 2016. 'Brothers and Sisters in Christ, I thank you for the wonderful work you are doing in the name of the Lord Jesus Christ, to reach and to bless many lives that need to be encouraged by God's love and power in this world today. A few years ago I prayed for God to work more in the media today, to reach out to our lost young ones. Until 3 months ago I didn't know about TBN. But one day I was f lcking through the channels and I saw yours. Recently I have been off work for 8 days and it has kept my faith going. I have watched it everyday. I send you this gift from our Lord to bless others as you have blessed us all!!'

Susan and Roy, December 28, 2016. 'I am sending you this gift which I feel is the right thing to do and that God through his spirit has prompted me to do. I and my husband have been greatly blessed and encouraged in our Christian walk because of your broadcast. I pray for you all and believe that God and will work through this means. Bless you all who work to this end. Wishing you all at TBN a very happy Christmas and a happy new year!'

John, December 29, 2016. 'Absolutely fabulous. I can't stop watching TBN UK! It is full of so much anointed preaching and teaching. I am growing day by day. The UK teaching is excellent. Praise the Lord for people like Andrew Owen. Well done TBN, may the Lord continue to anoint you and bless this ministry.

Flora, January 5, 2017. 'I thank God for TBNUK. I have watched TBN for many years and have been blessed in many ways. I am 83 years old and not working, so what I do to support the channel is to pray. God bless you all that serve in this powerful channel.'

Sandra, January 5, 2017. 'I have happily enclosed my first monthly gift of 2017. I'm so pleased that I can be a very small part of all that is God is providing. Thank you Father that we are all encouraged and guided by your love, and that TBN can take Your word to all who will listen.'

Anne, January 9, 2017. 'Dear Richard and Leon, Happy New Year and God bless all. I have sent my tithing to Jesus (through TBNUK). Maybe somebody will be saved. I thank you for everything you have said and done.'

Elaine, January 9, 2017. 'Thank you for the wonderful work you are doing. Being the only Christian in the household, it is wonderful to be able to relax, switch on the TV and have fellowship. I'm being encouraged in my faith and learning still, even in my seventies having been baptised in the Holy Spirit back in the early 70's revival. The Lord's doing wonderful things. Praise Him.'

Mrs B, January 9, 2017. 'May your work continue to bless others, on this TBN channel. God bless all, thank you again... long may you reign.'

Howard, January 9, 2017. 'Thank you for the blessings I received in listening to TBN worship services through Christmas week.'

Jenny, January 10, 2017. 'God bless all at TBNUK. Richard, Leon and all the staff. Glad to be a Partner. I pray God leads you mightily in 2017.'

Miriam, January 10, 2017. 'Dear All, Happy 2017! I just wanted to say thank you. Your channel has helped me over the years when I lost both my parents together and when I had no job for months. Thank you. God bless you all.'

Catherine, January 11, 2017. 'Thank you TBN for all your hard work. It is such a joy to know that I am greatly loved and unconditionally accepted by the Lord, thanks to the perfect and ongoing working of Jesus. Please find enclosed a small gift and my prayer for you is that you will all be clearly guided and encouraged. I am trying to make up a small journal for my own use with the guidance of the Holy Spirit, using God's word. I call it his emergency pack and I am amazed how powerful God's word is. There are plenty of gems to keep me very well supplied!! Also there are many reasons to be grateful to the Lord for his infinite grace, love and patience. Every blessing.'

Frances, January 3, 2017

'Thank you to all at TBNUK for all you are doing. The channel is really making a difference to my life. I received the September gift, the Dr Caroline Leaf book ***Think and Eat Yourself Smart***. The book has made a huge difference, I started following some of the instructions in the book, and I have introduced organic food into my diet, and since then I have lost a lot of weight, to the amazement of my doctor, who cannot quite believe it. I also received the October gift, the ***Revealed*** book, which has been very enlightening. I am increasing my monthly donation, and I just wanted to say a big thank you to TBNUK, and keep up the good work!'

Nick, January 3, 2016

'I've just listened to Joseph Prince. He's so good. I'm in a position where I can (now) give.' Nick also said he used to give to Christian channels such as Premier radio even when he was in a position when he had no money and 'since then has been so blessed and now I've discovered TBNUK and so I watch that and I'm in a position to give to TBN and help people.'

Lorraine, January 10, 2017

I accidentally tuned into the TBN channel this morning and started watching 'It's Supernatural with Sid Roth'. For years I really wanted to have a true faith in God. I saw Sid interviewing a lady who prayed for viewers with back problems. The arthritis in my lower back was particularly bad this morning, As she prayed my back clicked and most of the pain was relieved. I feel relieved not only physically, but spiritually as well. I just want to praise God and tell everyone how wonderful God is.

Vida, January 13, 2017

I am so blessed to have discovered you. You are God sent and have brought me closer to God. My life is more meaningful. I am a Pensioner, and I completed Joyce Meyer's "3030 Challenge" which really got me started. I am now studying Ephesians. I love listening to Joyce Meyer, Joel Osteen with his soft voice, Jesse Duplantis (he makes me laugh), John Hagee, Joseph Prince, and of course, TD Jakes. I could on and on! I have donated a gift of £100.00 Thanks for the beautiful gifts. God bless you and I pray we grow stronger, in Jesus' Name Amen.

Will and Trudie, January 16, 2017

'Morning good folk of TBN. I do hope this wee note finds its way to you. It's a little later than hoped but life can be hectic and we didn't want the message to fall aside as we move further into the year. We wanted you to know that each New Year Mrs and I go through our memory box. It's a collective of all the things we've experienced over the year for each year we have been together. And on New Years Eve we make a list of those that have made a difference to us, and others, in a positive way and toast and bless them. You were on that list. Thank you. Good thoughts and blessings winging their way.'

Viv, January 16, 2017

'I feel that the Lord confirmed to me to send you my testimony f l m after I watched Leon's appeal for our stories on *Partner Time* – stories of how Jesus and TBN UK have transformed our lives. My life has changed so much in just 2 years, from a non-believer to an applicant to Church Army (Lay Evangelist-I'm attending the 1st selection process in two weeks' time). I've dedicated the rest of my life for His work – His message of hope for the people of this country. So many people have stories. I'm driven by passion to share my story and to encourage people to share their stories. What's happened to me isn't because I'm special. It can certainly happen to anyone. It's for all of us. Jesus is waiting for us to turn to Him. I'm here today to guide the way to the loving healing arms of the Lord. I would not be here had it not been for TBN UK coming to Freeview in Jan 2015 and TBN partners worldwide having the faith to partner with us here in the UK. Their faith and financial commitment is not returning void! Amen.'

TBN UK Production Synopsis

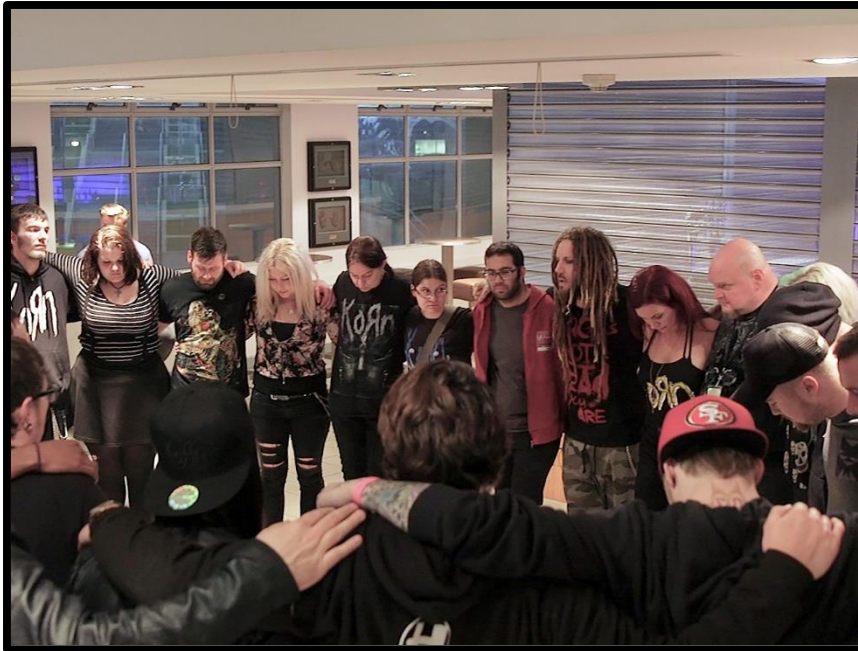

- **Breaking Darkness.** Evangelist Robby Dawkins recorded a documentary to be included his TBN UK series of the same name. This special featured two-time Grammy-winning guitarist Brian Welch, from the heavy metal band Korn, looking at how discovering Jesus led him to quit the band, become free from drug addiction, and now is witnessing to others in the music scene. The programme included an in-depth interview about why he Brian decided to rejoin the group, share his faith with his fellow band members, and how his relationship with his daughter has been restored, as well as filming him at a concert in Wembley Arena and following him as he ministered to Korn fans backstage.
- **Power Evangelism.** *As part of the above project, we captured footage of the team praying with members of the public around the streets of Wembley for healing and miracles. These videos will be included in Robby Dawkins other TBN UK show that was filmed last year and is currently in post-production.*
- **TBN Presents.** This month Alan Scotland returned to our studios to make additional episodes of *Demystifying the Kingdom of God*.
