Sandra, February 18, 2016

"I wish to express deep gratitude to the organisers of TBN. As a mature Christ-follower of over 60 years, I find the preaching, teaching and worship excellent on TBN. Challenging, comforting and meeting the need for quality TV. Christian viewing to enrich lives and promote evangelism, the spreading of God's wonderful word – reaching people in the UK. Thank you."

Partner, February 19, 2016

"Thanks for being on TBN UK Channel 65. It is so good, has helped me through the winter time as it is dark and I can't get to church before late night comes around. So good, so wonderful. Jesus saves and never lets us go."

Margaret, February 19, 2016

"I have been blessed by your television ministry and would like to respond to your recent appeal for financial help. I would like to partner with your ministry to help further the gospel message across the world."

Partner (name not given), February 19, 2016

"Your programmes are a gift and a blessing to me. I love to watch the teaching sessions. I became a Christian about 35 years ago from a Hindu background and go to a Baptist church. My husband wouldn't have Sky channels and I really wanted to watch a God channel, so I was pleased when TBN came on Freeview. I tune in regularly and I am blessed by your programmes. God has worked out lovely things in my family over these last years especially in that my two adult sons left home and now have their own homes. The Lord has touched my husband's life some years ago. He gambled away substantial sums of money but by God's grace the addiction has been overcome. I am sending this gift to help TBN UK!"

Veola, February 19, 2016

"I am so proud of TBN airing on Freeview. It makes a lot of difference to the unchurched and Christians who can't get out to church. I hail John Hagee as God's voice both to the Church and the world. He is not afraid to preach God's Word undiluted and without any compromise. I wish other preachers would take a page out of his book and do likewise."

Aline & Bob, February 19, 2016

"We really enjoy watching TBN, particularly the films/testimonies, the ministry programmes i.e. *Call to All*, and many of the preachers. We donated to TBN previously because we were prompted by God after watching an excellent speaker from the Middle East. We have told many friends about TBN, who now watch it, and pray you will be blessed and enabled to encourage many people in their Christian faith. God bless you."

Ruth, February 25, 2016

“Thank you for all you are doing in Jesus’ Name. We always watch *Partner Time* 7 p.m. Mondays to keep up to date. We love you and so appreciate TBN and the way it is evolving with more British content though we love to hear the great teachers and preachers worldwide – Joyce Meyer, Dr. Caroline Leaf (her *God’s Methods* really work!), Angus Buchanan, Joseph Prince. We Love the worship at the beginning of 8 a.m. Sundays). Great music, films – too much to mention. On the testimony of how TBN started and the last minute gift that declared that TBN was by God’s appointing. The service to pass on the baton to Matthew and Laurie and the wonderful new stations. ‘For the earth will be filled with the knowledge of God’s glory as the water cover the sea’ – being fulfilled. We are so privileged to partner and I was so humbled that out of millions of people, God spoke to us and gave us His desire when only over a hundred had already committed. God is so good. He loves us so much we can’t help loving Him and everyone. May God keep you filled to overflowing with the wonderful Holy Spirit, our constant comforter and counsellor. Love and prayers and appreciation.”

Mrs H, February 26, 2016

“A widow in my eighties, living alone and not being able to attend my place of worship regularly. I have been listening and watching you regularly ever since you came on the TV Jan 2015. I have received so much blessings from your 'Holy Spirit' inspired ministry.... I cannot thank you enough for having the foresight to launch such a programme which is 'God inspired.' May God continue to bless you and supply all your needs.”

Mrs H, February 26, 2016

“Thank you very much for the 'James Code' book. I look forward to a good read! Thank you for the programs on the TV. There is some excellent teaching –I work from home so the likes of Joseph Prince and the “Hagee” chaps fit in well with my lunch break, although I particularly 'sack' myself daily because there are so many others that also grab my attention. It’s very hard to not stop to watch and listen. May God bless you and keep the channel going.”

Priscilla and John, February 26, 2016

“How good it is to be in the family of God. We are increasingly blessed by TBN UK. The teachings and ministries are beyond anything we could have prayed for. Today yet again we have received another gift from you, the book *The James Code*. It is a coincidence that our own church is doing a series on James. The previous gift of the CD *Beyond the Hiding Place* is extremely amazing too. We cannot thank you too much for all you are doing. Yours in Christ.”

Pearl, March 2, 2016

She is a believer and loves TBN. It is marvellous and enriches her, it has given her so much and makes her bolder in her testimony. On *Praise the Lord* this morning Rich Vera was speaking on healing. He was saying that the power of the Lord is present to heal. He was praying for several people. What he said was everything about her. He said from the top of your head to the soles of your feet I pronounce the healing of God. A bolt of electricity went through her body healing her right through. Praise the Lord!

Ian, March 3, 2016

“ ... May I say how delighted I am that we now have a Christian TV Channel in the UK ...”

Kay, March 3, 2016

“I would like to thank the preacher who was recently on one of your programmes and prayed for healing of the back. For years I had a slight back problem and when I prayed with the preacher this morning it felt good. I wanted to encourage you and praise the Lord. I think that many of the programmes I have seen are wonderful, especially the programme by Angus Buchanan.”

Lydia, March 3, 2016

“I have been listening to a lot of worship and preaching on TBN UK which has been very good. Having been recently diagnosed with hypertension, diabetes and poor dental health. I was at home listening to TBN UK and Pastor Joseph Prince gave a word of knowledge about my health situation. He prayed and since then I have not needed to take any of my prescribed medications. I feel stronger and my Health has been renewed as a result of listening to the channels on TBNUK. God bless TBN. You are doing a good job. God bless all the pastors for their encouraging words. It has helped me to grow in my relationship with the Lord. I just wanted to let you know that God, Jesus and the Holy Spirit are real.”

Diann, March 8, 2016

“I just wanted to say thank you for the Andrew Womack book. It is totally Yea and Amen throughout, being right up my street. Thank you again for TBN, what a life changing channel you are! Truly God supply all our needs according to his riches in glory because nothing is impossible with God. I love the gospel of grace through faith preached on TBN. God has not abandoned the British Isles. He still loves His people and desires that they be released from religion, into a relationship with Him through the atoning work of Calvary. Praise His holy Name. He has changed my life through you. TBN, praying always for you in His love.”

Partner, March 10, 2016

“Thank you for all your good work with God’s grace. God bless you at TBN EUROPE and thank you!”

Nadine, March 10, 2016

“Your programmes have been a great blessing to me. My TV is permanently tuned to channel 65! I appreciate the gifts, books, and DVDs you have sent me and I have even loaned them to my friend. I hope the work that you are doing for the Lord will continue and go from strength to strength. With loving good wishes and in his service.”

Mr & Mrs L, March 14, 2016

“Praise the Lord for all his goodness. I continually praise the Lord for TBN UK as I am so blessed. Thank you for obeying the call of God. Many will be and are blessed through this work that our Lord has called you to do. I am 80 yrs old and my husband has had several strokes so I am his carer, therefore I am unable to get out and to go to fellowship. So I am dependent on TBN UK ministries and I love to hear the word of God faithfully preached and the rise of our young people with anointed singing. I have been praying for the Lord to raise up our young people so the word of the Lord can continue. Thank you.”

Suzanne, March 16, 2016

She loves watching TBN programmes. Restores hope and confidence.

Pastor Michael White from the Tab Church and the *TBN Presents* show *Momentum* hosted a new UK episode of *Praise The Lord*.

Pastor Michael interviewed singer Ben Ofoedu (from musical duo Phats & Small), and Shane Lynch (member of the popular group Boyzone).

Ben Ofoedu talked about how he was called to work in the music industry and minister to other artists such as Shane.

Shane Lynch gave his testimony regarding demonic encounters he had experienced and how Ben led him to Christ.

Pastor Andrew Owen from Destiny Church Glasgow shared how he has overseen church planting throughout Scotland as well as in countries like Germany, Switzerland, and India.

Pastor Andrew brought a message on how God can make the impossible possible.

Geraldine Latty (who has previously featured on Spring Harvest albums and BBC's *Songs of Praise*) led the *Praise the Lord* audience in worship throughout the evening.

Geraldine lectures at the London School of Theology, and the rest of the band includes music tutors and the LST director of music and worship.

Caleb Alalade came in to record a new teaching programme as part of our ongoing *TBN Presents* series.

Pastor Caleb's new show is called *The Father's Heart*.

Fashion designer Aleona Isakova and Pastor Larry Trishkin from the Bond of Perfection Church (a satellite church of Kensington Temple) on the set of *TBN Meets*.

They talked about the creative visions that Aleona has received and how it inspired her to create her Bible-themed Haute Couture range of dresses.

The Bishop of Willesden, the Rt. Rev. Pete Broadbent, visited the TBN UK London studios situated in Willesden, north west London.

Bishop Pete told the *TBN Meets* viewers about the history of the church during his time growing up in this area.

TBN president Matt Crouch filmed an episode of *Inside the Trinity Family of Networks* in Studio B.

Matt Crouch's guest was film producer Taran Davies, who discussed his new 3D IMAX movie *Jerusalem*.

TBN's Matt and Laurie Crouch hosted a special episode of *Praise The Lord*. The first guest was international opera singer Jonathan Veira.

Jonathan Veira sang some classic hymns that had personal meaning to him, such as "King Of Kings" and "How Great Thou Art."

TBN UK's Leon Schoeman introduced the next set of interviews with guests who had powerful testimonies.

Jonathan Veira described how he was healed from a coma and recovered the voice that God had blessed him with.

Rev. Les Isaacs of Street Pastors was recently awarded an OBE in the Queen's birthday honours list for his work fostering community cohesion.

Matt and Laurie Crouch welcomed R.T. Kendall, former pastor of Westminster Chapel and author of many Christian books.

R.T. Kendall ministered on the topics of forgiveness, prayer, gifts of the Spirit, and what is next on God's calendar.

R.T. Kendall led the TBN UK audience and viewers in prayer at the end of the evening.
