Extracts from letters to TBN UK

Christine and Fred, November 21, 2016. '*Revealed* – Wow! What an absolutely fabulous gift! Thank you so much for this beautiful book on the names of God, by Matt and Laurie Crouch. It is so anointed and I can't wait to get at it properly to absorb and be blessed by. Thank you also for all the other books you keep on sending us! I gave the Dr. Caroline Leaf book about eating etc., to my hairdresser who is a fitness fan and she was interested to "have a look through it".... Even if books go to Charity shops, they are well placed to be shared with others, and used. Well, TBN, we are GREATLY blessed by your various programmes and thank God for them, and you. We are glad to be partners and it is so exciting how one can just switch on the tv and there is the Word of God with great sweetness and clarity and Jesus is glorified! I could chat away here as you all became our friends – and we tell others about TBN when we get a good chance. May God richly bless you, and please be sure to tell that beautiful couple what a lovely blessing the *Revealed*' book is. May God supply all your needs, according to His riches in glory – and that's saying a lot!

JM, November 21, 2016. 'What a lovely book *Revealed* is. I am beginning to go through it. Indeed we have an awesome God!'

Mrs A, November 21, 2016. 'Just to say your channel is remarkable. It is spreading light all over the world, telling of Jesus, the best news and most urgent news. I know it has been inspiring, comforting, with this genuine outpouring of pastoral care. May God bless you, and may there be such a revival, and I do believe there will be. It is coming now. Praise the Lord's HOLY name, and thank you.'

Irene, November 22, 2016. 'Thank you for TBN UK. I am an old-age pensioner in my mid-eighties and have been greatly blessed through God's servants ministering to me. Thank you. I am praying that TBN will be used by God in our needy land.'

Alan, November 29, 2016. 'Thank you TBN team for your work and prayers in reaching out faithfully to the UK. I continue to recommend Freeview Channel 65 to many. May God continue to bless you and all who watch.'

Maggie, November 29, 2016. 'To all at TBN, Thank you so much for the lovely gifts I have received from you. It means so much to me. TBN is such a blessing to me. I have learnt so much from the wonderful speakers and programs I watch. Thank you so much. May God bless you all.'

Christine, November 30, 2016. 'First of all I would like to thank you very much for the regular gifts I have received from you. They truly are a blessing. My testimony is long overdue. During 2015 and prior, I had been suffering with an over-active thyroid which made life unbearable at times. I eventually applied for surgery having tried the other medical options. Whilst recovering, I watched much of TBN and felt I'd like to support financially. I run a small business and while not working my income was limited. I decided approximately a year ago to give, not knowing whether I could commit on a regular basis. It was on that very same day somebody rang me for business; I started to work with them that same evening and the fee covered my contribution to TBN! That was just the beginning. I began to see an acceleration in the number of clients – the first time ever in my business, so much so that I was looking to expand and take on staff if it continued. I do believe this was due to stepping out in faith. I thought I can't let another month go by without sharing this testimony. In addition, all the students I worked with on a 1-1 basis were successful in their GCSE exams. One former client called me from their holiday in America to thank me. Thank you for your prayers, support and wonderfully uplifting programmes.'

Anne, November 30, 2016. 'Happy birthday to King Jesus!! The Lamb of God is upon the throne! Thank you for all your work to bring the Word of God to the world!'

Elaine, December 1, 2016. 'I love TBN UK which I watch every day. It is a privilege to partner with you. My faith grows every day.'

Joan, December 1, 2016. 'We thank you all very much. We enjoy Joseph Prince and all the other speakers. God bless you all.'

Robert, December 1, 2016. 'Warm Christian love and greetings to TBN!! I was pleasantly surprised by receiving a lovely gift from you, *Christmas Candle*, and I am looking forward to watching it over the seasons. Time to remember Jesus even more as this card says, our greatest gift Jesus Christ. May Jehovah God and Jesus Christ and the Holy Spirit continue to bless your network, as I believe your broadcast is helping millions to be freed from their bondages to sin, and ignorance. Your spiritual "food", I hear daily on the TV is building up many, many people I believe by nourishing us with people's testimonies and encouraging words from the Bible. God bless TBN!'

D, December 5, 2016. 'Thank you for your channel. It is truly blessing me. May God bless you all.'

B, December 6, 2016. 'Thank you, TBN has kept me company all day long. I will give you more when I have it. God bless you all!'

Peggy, December 6, 2016. 'Dear partners, I really need to join you all as I have TBN UK on all the time. I am a 94-year-old faithful viewer – that's many hours – especially after 4 pm in the afternoons. My 99-year-old sister told me about the network (She will be 100 years Feb 1st) and regularly rings me to mention and comments on many of the programmes. She loves the messages from Bishop Wayne (*The Call to Ministry*) Michael White (*Momentum*), and Joyce Meyer (*Enjoying Everyday Life*). We both are thrilled with the veracity of speakers. I am looking forward to Pastor Tope (*Koleoso*) as many of my friends are blessed and growing under his ministry in North London. How blessed are we to be free in Christ Jesus. I thank God daily for the breakdown of denominations. I've prayed for many years that the Lord Jesus would build his house. That's the one he will come back for. I'm getting ready for the Marriage Feast of the Lamb. Yes I am. Yours because we are His. Happy Christmas and a Blessed New Year.'

Miss K, December 7, 2016. 'Thank you for your network, I have had a number of distressing times over the last few months and TBN's teachings have always reached those areas that I needed to keep me strong and help me face and deal with all the problems God's way.'

Claudette, December 7, 2016. 'The Lord has impressed it upon my heart to partner with TBN because it is a fertile ground, bringing the gospel to every home in the UK and I would like to be part of that. Just as it has blessed me I know it has blessed others in the UK. So here I am enclosing my first donation and may the Lord continue to bless you in doing the work you are doing.'

Alan and Betty, December 7, 2016. 'Dear Richard and Pauline, We very much appreciate our partnership with you and all at TBN, and look forward to strengthening our ties together for the mutual support of the kingdom. With love, Alan and Betty.'

Dorothy, December 12, 2016. 'We have been abundantly blessed by TBN since it arrived in the UK. We are truly thankful to God and all the lovely people who make these programmes possible. We hardly watch anything else! At present we have about eight or nine different programmes that we watch regularly and we are still discovering more. One day I switched on and saw the end of Heaven and Earth with Bill Johnson. I listened open-mouthed and eyes popping as the Holy Spirit came pouring out of the television screen! Now we watch Heaven and Earth regularly. I have been on the road a long time (I am 98) and have a lot of Bible study, some preaching and Sunday school teaching but I am still learning a lot of new things from TBN. Thank you that cater for all levels of faith. I am especially glad that you provide for mature Christians. We get so hungry.'

Rita, December 13, 2016. 'Thank you for the DVD you sent me. Such a blessing and thank you for your prayer support at this time of difficulty with anxiety and depression and other medical problems. Your prayers and TV programmes are really encouraging me to keep going.'

Mary, December 13, 2016. 'Thank you so much for the programmes. My daughter who has mental health problems cannot cope with church but happily listens to Joyce Meyer. I do appreciate the work you are all doing. God bless you.'

Anon, December 14, 2016 'I came to know TBN UK recently through a friend. The teachings are doing me good.'

Ann, November 21, 2016. Ann telephoned and said: She is thankful for the book *Revealed* as she finds it wonderful, and she has been blessed by it. She has always wanted to know more and she appreciates it.

Stephanie, November 22, 2016. 'I was watching the Cynthia Garret *Mini Sessions* today and it was touching. She talked about rape within a relationship which is something I can relate to. It's not always something that occurs with someone you don't know. I loved the show. Please pass this on to Cynthia.'

Thandar, November 28, 2016. 'I have been watching TBN UK since 2015 when it first started broadcasting I felt so excited. TBN was teaching and there were so many programmes for worship, so in the family I watch it regularly and it made me motivated in strong belief. It blessed me so much as I watched TBN UK and in my family only I was a believer. Now my children are watching TBN and they are changing by the power of God and my husband has started to change. I had a small group and asked TBN to pray for me in November and then I spoke to one of the prayer team and she prayed for me, my small group and husband. I keep praying at home and last week, my husband came to Christ so God is pushing me to become a full partner with TBN so I want to say praise the Lord for what God has done for me. Watching TBNUK has made everything change and my children are talking everything with peace and love. It's so good. I want to thank God for TBN. Every day I listen to teaching. I listen to Joel Osteen and Joseph Prince. I listen to it -my children listen to it every morning before we leave. I love the David Jeremiah teaching, Alan Scotland's teaching and Richard Fleming's teaching during Partner Time -they all minister to me and I cannot stop talking about it. I would like to say thank you for what God through you have done for me. May God continue to bless TBNUK.'

Barbara, November 29, 2016. Barbara thanks TBN UK for praying for her before surgery. She also said other churches were praying for her brother. After 22 years of not seeing her brother, he called, they went for dinner yesterday and it was nice to speak to him.

Paul was joined by fellow worship leaders Noel Robinson and Philippa Hanna for a memorable evening.

An enthusiastic studio audience joined us for the taping of *Praise* program.

Mark Beswick (left) led us in powerful worship during the show.

Bishop Wayne Malcolm (from *The Call to Ministry*) was host for the night.

He interviewed singer Kelle Bryan about her work with the Lupus Trust.

The next guest was Pastor Tope Koleuso, who spoke about leading Jubilee Church.

Bishop Wayne closed the evening in prayer and an altar call.

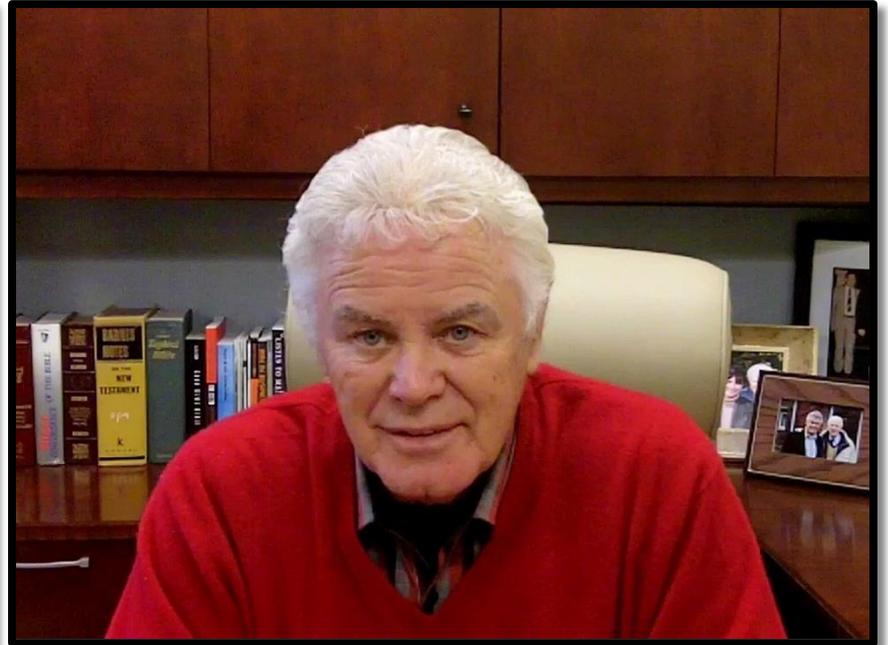

Singer-songwriter Dire Pitan talked to *TBN Meets* about reaching number one in the UK Christian chart.

Dire and his band blessed us with a selection of his soulful music including his latest song, "No Delay."

Pastors who regularly produce teaching series with us came into studio C to film a Christmas message for our viewers. Pictured here are Andy Croft, host of *God Speaks Today*, and Kenneth Ulmer, host of *Building Champions*.

Other regular programmers recorded their own Christmas message for TBN UK viewers. Above is Andrew Owen, who presents *Destiny*, and Bob Gass, presenter and author of *Word for Today*.

The stage in Studio A was redecorated for our Christmas *Praise* programme.

This Christmas special was led by Dove Award-winning worship leader Paul Baloche.

Paul Baloché opened the show with a reading and welcome.

Worship leader Noel Robinson joined the band as a special guest.

Another special guest, Philippa Hanna, sang backing vocals and also gave a reading.

Children from the All Star Kids Club read passages from the Nativity throughout the night.

Paul Baloche ministered to the studio audience and those watching at home to prepare room in our hearts for Jesus.

Philippa Hanna closed the evening by singing her song, "The King Has Come," written for TBN UK's Christmas advert.
