Extracts from letters to TBN UK

Mr S: 'I just want to thank you for all your hard work to get the program out to us in the UK. Please continue, God is the King of this world, no matter what. My prayer is that my children and grandchildren would accept God before it's too late. Thank you.'

Janice: 'Praise the Lord! Standing with you as you proclaim the risen Lord!!'

Mrs N: 'Thank you for all of the work of the ministry that the Lord is doing through you, blessing people all over the world. I am always happy when I watch TBN UK and see the marvellous work you do and the word of God that get across the world and in the UK in particular. May God richly bless you continually and open more doors of favour to you. Remain blessed and continue to grow from strength to strength in Jesus name Amen.'

Sue: 'Thank you for the books you have sent from TBN UK and pages earmarked –great encouragement, also the new praise and worship songs are a blessing, spirit filled and I adore them.'

Sue: 'Dear Richard, Leon and TBN family, As many viewers have said already, this is exactly who you've become my – family. I found you on Freeview TV towards the end of 2015 and now as time allows you are on. I have had many home moves and attended different churches, but until TBN I never understood my bible until now. You are so blessed and so are we to have the Word of God made alive in the teachings through God's Holy Spirit working in Joel Osteen, Joseph Prince, Bobby Schuller, RT Kendall, Brian Houston, Stephen F, Jentezen, Joyce Meyer, Cynthia Garrett, not forgetting Jesse Duplantis, who just has me In hysterics and we all need to laugh. The list is endless not forgetting those unmentioned. I have so enjoyed all the interviews, life testimonies and the pure honesty of all-especially Leon's chats at the moment. I thank God for you all. TBN helps me walk the walk of life in faith despite the many tears, having lost my son Adam at 27 to suicide on 11/10/2012.'

Anon: 'Greetings, TBN, in Jesus name. You are doing a wonderful work. May God bless you all. Send the word to everyone near and far.'

Victor: 'Thank you very much for these few years that I am listening to TBN UK. It has helped me a whole lot. I am at home and I watch TBN UK all the time. Thank you so much.'

Chris: 'Thank you TBN or being on the Freeview channels, bringing the good news into homes nationally. We so appreciate it. Kind regards.'

Joan: 'Many thanks for the book "prophetic blessings" by John Hagee. The programmes on TBN UK continue to be a blessing to me and others here. My brother in recent months has been tuning in to your programmes and recommending TBN to others Enthusiastically! He has begun to attend morning services in our evangelical church (not having previously been a churchgoer). Lovingly in Christ.'

Catherine: 'Dear Richard, thank you so much for your kind letter stating that you will continue to minister the Word of God to my life as I continue to stand with you through ministers and gifts. Sometime in May 2016 I "accidentally" found TBN UK. I love the programme! I am so grateful for the teaching and ministry I receive through TBN UK and especially so from Pastor Joseph Prince. Anita kindly arranged delivery of Pastor Prince's CD on "Freely receive your healing." It was delayed in the post but arrived on time for my 77th birthday. I appreciate the lovely gift and have listened to it many times taking notes about Abraham and Melchizedek. Also I appreciate RT Kendall's gems of wisdom and insights, John Hagee's teachings and the demonstration on tithing were new to me.

'An incident 70 years ago was brought to my attention so I asked Jesus to help me to forgive that person as without Him I can do nothing. In any case, would I really want to do anything without Him when His vast resources are available? Each heartbeat and every breath I take is a gift of life from my creator.

'Dr Leaf offered helpful tips on stress which I thought were excellent. Dr Jeremiah's ministry, Andy Croft's chats, Joel Osteen's wisdom for pastoral care. The pastor from Jerusalem-inspiring insights.

'So uplifting to see the camera crews, lights set up by electricians, worship teams, worshippers and stewards. The mini clip of the young professionally trained dancer moved me because I felt he was dancing to honour Jesus. Joyce Meyer's ministry forthright and with humour, "Father's Heart" and many others.

'Thank you all at TBN UK for searching the world to find such excellent and uplifting programmes from the world parish. Clearly presented and enabling folks like me to join in at home and take part in the worship.'

Karin: 'I have been watching **Open Book** with RT Kendall and friends. It is a brilliant series I must say. I am really enjoying it. The latest episode "forgiving God," was absolutely riveting. I hope the series will be repeated over again many times. What a wonderful and sincere and inspired man of God "RT" is. He holds me spellbound and my head is nodding away in agreement at everything he says.'

Mary: 'The channel has greatly enriched my life. My favourites are Bobby Schuller, John Hagee, and the brilliant program **Drive Through History**. I also love the Saturday night films. What a refreshing change from the awful morals of a lot of mainstream TV. Please keep on doing what you do so well.'

Stella: 'My husband died a few months ago. He wasn't a committed Christian. After watching TBN UK, he said that he believed. I am most grateful to your ministry for this and for all the help and guidance it gives to my daughter and I. Thanks and prayers for you all.'

Jerald: 'I really enjoy having such a great Christian TV channel. I so much enjoy Joyce Meyer and reflections, they are my favourites. Thanks for all your good work for the Lord.'

Viv: 'Please find a donation enclosed. Loved the film last Saturday *Last Ounce of Courage*.

Cynthia: '... I think all of it is so exciting, and I have TBN on most of the day. There always seems to be something new to bless us all. And love **Partner Time** too. You do an amazing work to bless people. Thank you!'

Mrs F: 'Praise God with me. He has taken all my problems away from me. I have entered His rest and peace. Some months ago I prayed the Lord's Prayer and Psalm 24 many times during the day. Now I am at peace, in the rest of God.'

Martha: 'The enclosed cheque is a gift from a friend. She tunes in regularly to TBN UK and appreciates your work very much indeed. She has benefited from the talks she has listened to.'

Mr & Mrs P: 'We really enjoy the Saturday night films.'

Glynn and Barbara: 'We can't send you a monthly gift but will be able to send you one now and again. We have been so blessed by the teaching and the lovely worship. We are both in our eighties and can't get out the same now, so we are richly blessed by TBN. We first heard about it from UCB announcing it on DAB radio last year and have it on most times. Thank you for presenting such faithful preachers and Richard and Leon we really bless you too. Yours in his precious name.'

B J, September 14, 2016 'Thank you for another month of messages and sound ministry –especially to Angus Buchan (grassroots) and RT Kendal, what sound doctrine they preach. Please find enclosed a gift. Thank you again for your spiritual food. May God bless you and guide you and show you His will for your ministry. Reading John Hagee's book "prophetic blessings" yet again!! Thank you.'

Mrs M. 'Thank you so much for the book you sent by Jentezen Franklin –Fear Fighters. It was God's perfect timing for me. Really needed for a fiery trial I am going through. God bless you and TBN. To God be the glory.'

What a wonderful lord is He! May you know the fullness and riches in Christ Jesus as you seek to serve Him with this wonderful ministry.'

Wilfred: 'Dear Richard, I was tuned into Channel 65 on Sunday night "Partner Time" and heard your announcement regarding the mighty blessings of all the gifts you are receiving. A great confirmation of the Lord's blessings upon the steps of faith beginning with the Crouch family and now growing through you all. Praise the Lord. One more item: I am so pleased with the books you are sending me, but I've now a back log – and seeking to pass on those I am led to pass on – can I suggest a month or two to catch up? Thank you for all the blessings TBN has brought into my life. I am still passing on the flyers to local churches.'

Miss R: 'Thank you for your prayer line. I called last week and spoke with a lovely sister who prayed for me and blessed me tremendously at a time when I really needed support and encouragement. God bless you all.'

Joan: 'I am giving God praise and thanks, prayers are being answered. In time he will allow me to plant more seeds in Jesus' Name. Praise and bless His wonderful Name.'

Extracts from phone calls to TBN UK

Angel: She thanks us for TBN UK. It has a big impact on her life. She watches every day and she loves TBN. It helps her to grow as a Christian and she prays that the church will be united. It is a God send she says.

Annette: 'Thank you TBN UK. I started watching three months ago. I'm a live-in carer and my faith is growing every day.'

Caroline: She fell and injured leg, and at that time she turned her TV up really loudly. She got in the bath and was wondering how to get out of it. Hope City Church was broadcasting at that time and the preacher was saying, 'You will not fall, stumble, or slip.' She felt good about getting out of the bath. She did and now the leg is better and she can bend her leg. Thanks be to God.

Ann: 'TBNUK has been absolutely great for me. Such a blessing. Bible study and prayers and everything! I get much more from TBN than I give.'

Anonymous: He rang and said he found the programmes interesting, refreshing and informative.

Rose: She telephoned to say that she was on her way to the *Praise* program yesterday and that she held out her hand to stop the bus, but it sped pass her. She was annoyed. But just after that a woman came up to her and said that she saw what happened and wondered where she was going. She told her and she said that she too was on her way to the show. On their way this lady encouraged her to stay focused and in the present. She was excited as she felt that the Lord was confirming things to her. She lives in a council flat and for 7 years they promised to fit the kitchen and the carpet. They have dragged their feet about it and Rose has been very distraught about it. As we were talking the men from the council came to do the kitchen, but said that they were not told to do the carpet. Later on the men started ripping up the old carpet and Rose was laughing in the Holy Spirit as she felt God had sent them and to do all of the work that was necessary. She had to ring us and thank us for our prayers.

Janet: 'Thank you for the wonderful TV. I can't tell you how much RT Kendall's Sunday night programme has blessed me.'

Linda: She called to say that she is so happy with all the books that we send, and that she reads them straight away!
