

WCLJ Indianapolis Report for September 2016

This month we enjoyed an awesome local *Praise* program with one of our favorite viewer hosts, Pastor Thomas Hill from, along with some wonderful guests.

His Hand Extended

We did something a little different last month through our His Hand Extended outreach. We partnered with the local Greenwood Police Department by receiving donations of medical supplies and then providing them to a nurse, Cathy Sharrer (pictured at right), who is from one of our local churches, Mount Pleasant Christian Center. Cathy is moving permanently to Thailand and will be taking them with her to supply to poor areas of that country and Burma as well.

We were also able to help 417 people last month here at our His Hand Extended food pantry. We benefited from the medical supplies as well and will be distributing them.

Last Saturday WCLJ participated in an event called “The Gathering of the People,” which was held on the campus of Ball State University in Muncie Indiana, in Worthen Arena. The event was an outreach put on by 40 Days Ministries. It started at 12:00 noon and went until 10:00 p.m. Our station manager, Mark Crouch, was asked to represent TBN, and shared a Scripture and a short poem. It was great to be a part of such an event with people from all over, including one of the worship teams from the International House of Prayer (IHOP) in Kansas City.

Joy in Our Town

We had a busy month for Joy in Our Town, as we are transitioning to an exciting new format. Some of the guests will be back under this new inspirational format.

We were able to feature on Facebook some local Pastors that were part of a celebration honoring Bishop Leonard Scott founder of Tyscot Records (left). They are part of the Gospel Music Explosion and Tyscot’s 40th Anniversary.

Finally, I thought I'd end with a picture from my backyard celebrating the arrival of Fall. You can see in the background the heat of the summer escaping from the lake. Fall starts this week and I'm in total favor of that. God Bless!
