## Dalton / Chattanooga – November 2016

### Signature Program

❖ WELF's November program ***Joy In Our Town*** featured host Dr David Banks talking with Heather Donahue of DOC-UP in Dalton, Georgia. Heather explains how this organization partners with all the area churches in Dalton to meet the needs of the poverty stricken community.

## Community Involvement

- ❖ TBN participated in a community dinner given to the local fire fighters. Due to severe drought in our area wildfires are breaking out in record numbers. Our firefighters are battling tirelessly to keep these fires from destroying acreage and homes. Rising Fawn United Methodist church hosted a dinner to feed these hungry men. TBN staff members volunteered to help with food preparation.

- ❖ TBN helped partner with Dade First Family Connections Grandparent Lunch and Learn event this month. We helped plan the speakers and donated educational flyers giving resources and information to grandparents raising grandchildren. This issue has become an epidemic in our area. This organization is seeking to address the needs of grandparents and connect them to state-wide resources available and start a support group.

- ❖ TBN attended Scenic City Women's Network's "Afterhours" event this month. Keynote speaker June Scobee Rodgers, the widow of Challenger Space Shuttle Commander Dick Scobee. June remembers every one of the 73 seconds leading up to the Challenger accident. An inspiration to everyone she meets, June has dedicated her life to writing, speaking, and education.
