# IMPACT OF THE LOVE GIFT

*Proven Biblical Principles of Giving and Receiving* and *Ask Me for Anything* by Dr. Paul F. Crouch, Sr. were the featured love gifts for July 2015. During this time, we were airing live Praise-A-Thons and every pastor involved as host was given a DVD and book to reference on all future live shows. Our pastors used quotes from Dr. Crouch's book and we, TBN Team Philadelphia, edited "slices" from Dr. Crouch's DVD and aired these video snippets at various times during our Praise-A-Thons. Since this time we have used these teaching slices as part of our local *Praise the Lord* shows and as posts on our Facebook page. Some of the teachings are titled as:

- Bring Up Your Harvest
- He'll Give You Everything You Want
- God Wants Fruit Bearers
- Give with Expectation
- God Wants Us to Prosper
- Faith Promise
- Jump to Daddy
- Sewing Seed on Behalf of Those Who Need Salvation
- Give Away the Thing You Need
- Faith is an Act Based on Belief
- God Wants to Give You Your Heart's Desires

# Outreach Activities

WGTW-TV 48 is located in Delaware County, Pennsylvania. Over the course of the past month I have visited 15 libraries within our county donating TBN paperback books and a copy of *The Call*. We have scheduled *Joy in Our Town* segments with two library directors who will discuss the mission of our libraries serving as a community hub for social interactions and a haven in maintaining and protecting local and county historical archives.

# What does *One Accord* look like?

## Like this:

Janel, Linda, Benny, Pastor Netha Bell, Frank, Patty  
Greater Life Christian Center, Philadelphia, PA

Greater Life Christian Center and TBN Philadelphia spent time together on April 13<sup>th</sup> putting together over 100 *bags of hope* to be distributed to the homeless and inner-city residents in West Philadelphia. Some bags consisted of cotton balls, cotton swabs, lip balm, crystal bracelet, bottled water and TBN newsletters. Other bags consisted of cheese crackers, peanut butter crackers, peppermints, bottled water and TBN newsletters. Additionally, bath tissue was also distributed to those in need.

# And, what does street evangelism look like?

## It looks like this:

Hundreds of lives were touched with the love of Jesus on Saturday, April 23, when Pastor Netha Bell and her team went on the streets of West Philadelphia to minister to those who were in need of prayer. Index cards were filled out with requests which will be brought into the TBN Philadelphia prayer room where they will be anointed with oil and prayed over by additional pastors and community leaders.

We recently dedicated some office space, now called our *Community Outreach Room*, that houses supplies designated to be given away during inner-city evangelism events. On Saturday, May 7<sup>th</sup>, a few local ministries that are involved with this new outreach effort will meet here at the station for coffee to discuss additional ways in which we can reach into our neighboring cities and join efforts to become a stronger and unified team. TBN Philadelphia is delighted to work along side of these inner-city evangelism ministries:

Andre Sauls, senior pastor  
Kingdom Cultural Center – Camden, New Jersey

Leslie Peters, RN  
Women Not Alone – Havertown, Pennsylvania

Netha Bell, senior pastor  
Greater Life Christian Center – West Philadelphia

Sheryl Hickman, Ed.D, program facilitator  
Baylor Women's Correctional Facility – New Castle, Delaware
