

# TBN PHILADELPHIA

MANAGER'S REPORT

MARCH 2015

## MANAGER'S NOTE...

I hear myself frequently using the words *blessed*, *honored*, or *privileged* when in truth no words can describe how grateful I am to have the freedom to represent TBN Philadelphia by providing basic human essentials to those who are homeless and those who live in abject poverty. The people to whom I refer can be found on any street in any town surrounding our station. I continue to search for more dynamic adjectives to accurately describe that feeling of oneness, that connectedness to another human being, when supplying food, clothing, furniture, and toiletries to those who live on and off the streets in and around the cities of Philadelphia, PA; Camden, NJ; Chester, PA; and Wilmington, DE.

Every day I walk into the ongoing vision that was realized by Dr. Paul and Mrs. Jan Crouch over four decades ago; a vision that continues to grow as we, both employee and viewer, witness the global expanse of TBN programming that covers our Earth. The position of station manager is not a hollow title; it is one of community outreach both locally and globally. TBN Philadelphia is now home to JCTV Pakistan, in addition to our TBN Russia family who regularly tapes in our studio. We continue to lend support to Anna's Place in Chester, Pennsylvania; Media Food Bank & Media Free Store in Media, Pennsylvania; Greater Life Christian Center in Philadelphia, PA; and Kingdom Cultural Center in Camden, New Jersey. Two additional outreach programs are in development stages. The first program is designed to teach public speaking skills to inner-city youth and the second program is creating an onsite War Room. More on this to come in my next manager's report.

Every picture tells a story as you will see in the pages ahead.

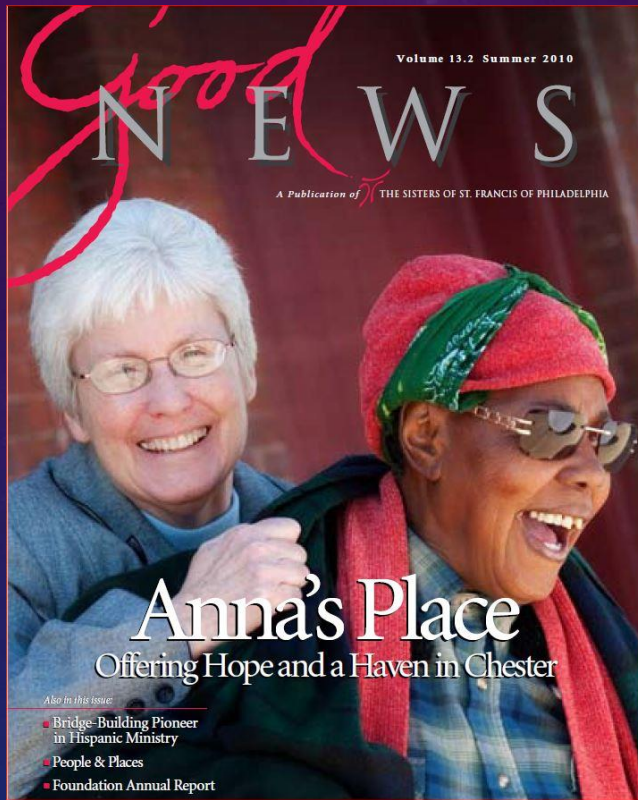

God bless you.

-Michal Curry

# COMMUNITY OUTREACH

Anna's Place, Chester, PA

Anna's Place is a Franciscan Hospitality Center sponsored by the Sisters of St. Francis of Philadelphia and named in honor of their foundress, Maria Anna Bachmann. The staff at Anna's Place offer a welcoming atmosphere to the people in and around Chester, Pennsylvania, as they gather for activities that promote growth in mind, body, heart and spirit. In the Spirit of Jesus and in the tradition of St. Francis, Clare of Assisi and Anna Bachmann we welcome all.

There is a selection of books appropriate for pre-school children, teenagers, and adults to enjoy. Additional reading materials are available regarding local job opportunities, educational and social events, articles on healthy lifestyle choices and more. Anna's Place encourages its guests, both young and older, to READ.

As a Franciscan Hospitality Ministry, Anna's Place organizes weekly games to establish and sustain a welcoming, caring and safe environment in the Chester community. Those who participate in the activities compete with one another to win prizes. All prizes for game players are donated by friends of Anna's Place, many by our sisters in Assisi House, and the Franciscan retirement Home in Aston. Donated refreshments are also provided.

Once these men understand the Fatherhood of God their lives are changed, forever.

A recent news report states that the city of Camden, New Jersey once considered the # 1 worst city for crime and poverty in the United States is now called “The Comeback City.” Camden is experiencing revitalization along the city’s waterfront which has direct access to Philadelphia. Changes on any level begin with the heart. Pastor Sauls and his Kingdom team continue to play a powerful role in this city’s rebirth.
