The Christian Academy

TBN Philadelphia was part of the *Paparazzi* team, lining the red carpet walkway and snapping photographs as the guests arrived.

The event was held at The Christian Academy in Brookhaven, PA.

Limos pulled up to the front of school transporting the guests to the front of the red carpet walkway.

Each guest received joyous greeting and applause from onlookers.

*“The coolest part of the night is that every single one of you is crowned the king or the queen of the prom. But, let me tell you why you’re the king or the queen, it’s because that’s how God looks at you every single day of your life.” -Tim Tebow*

and every woman is crowned Queen  
of the prom.*

Numerous local businesses donated funds, services, and volunteer hours to ensure that this event was successful. Hair stylists, manicurists, and make-up artists were on-hand to make sure that every prom photo taken was perfect. And, successful and perfect it was.

Two prison employees have been released, along with dozens of inmates, during an ongoing hostage situation in Delaware, according to authorities. But two corrections officers are still being held hostage at the James T. Vaughn Correctional Center in Smyrna, the state's Department of Correction said in a statement early Thursday morning.

The following two slides appeared in last month's manager's report. Please see for reference.

# Reaching Out into Wilmington/Smyrna, DE

One hundred paperback Bibles and TBN Newsletters were delivered to **Prison Outreach of Delaware** on **January 21** to distribute to inmates who reside within the **James Vaughn Correctional Institute in Smyrna, DE** and the Howard Young Correctional Facility in Wilmington, DE.

January 21, 2017 to February 2, 2017

Bibles and TBN newsletters were delivered to Prison Outreach of Delaware on Saturday, January 21, 2017, less than two weeks before the hostage situation occurred at the James Vaughn Correctional Facility in Smyrna, Delaware. As stated in last month's report, for many inmates they have never owned a Bible and for some have never touched one. We will continue to supply our local Chaplains and prison ministry teams with the supplies they need to reach inside a dark world.

We are honored to supply Bibles and TBN newsletters to this committed outreach organization. *These items are distributed to the incarcerated who, for many, are in possession of the Living Word for the first time in their lives*

# Gifts for the Children

During a visit to our station from Prison Outreach and Bridge to Victory ministries we presented our guests with *McGee and Me* DVDs and *Smile of a Child* bunnies for distribution among families in which children experience the loss of a parent or family member due to incarceration.

I respect that you care equally for all, not just the found but also the lost and wandering ones. Thank you, TBN family. ~Markita, Inmate

I am being held in solitary confinement and am cut off from all chapel services and resources. A few months ago, one of the C.O.'s left his workstation's TV on which was turned in to TBN so I saw and heard a message from Kerry Shook. I have no doubt that God intervened so I could hear this message that was just for me. ~Thomas, Inmate

I am looking at spending the next 45 to 110 years in prison and am focusing my whole life to Jesus Christ. I am a huge fan of TBN's programs. ~Dennis, Inmate
