

WHSG Atlanta Report for February 2016

Community involvement

Hope House, a home for homeless women and children, visited our community during their clothes drive. Hope House gives job training to women and provide schooling for children. The women need clothes for jobs and training, and the children need nice clothing for school. We were able to provide them with some very nice clothes.

Kris and Mendi Jackson, pastors in the Monticello area, and their eight children had just left their house on Saturday when their home went up in flames. We are putting the information out to our pastors and partners in order to make a real effort to get the community involved in replacing some of the things this precious family lost, especially clothes for the children in school. WHSG sent the family \$1,000 from TBN's benevolent funds.

Decision America

We attended the Decision America Tour 2016 with Franklin Graham. We were invited to a breakfast prior to the rally and then we made our way over to the capital to join the several thousand who had assembled. It was the coldest day that we have had this year: 37 degrees. The Gospel of Christ was shared and Franklin gave an invitation for people to respond to Christ's forgiveness via text message. Nearly 100 individuals texted to accept Christ as Lord.

Texts will be followed up with every new believer being offered study resources suggesting opportunities for discipleship and urging them to attend and join a Bible-believing church in their local community.

After encouraging Christians to vote and consider running for public office at all levels, Franklin read the Decision America Tour Pledge, which includes promises to honor God at home, in public and at the ballot box. A total of 1,964 people texted to accept this pledge was 1,964. Georgia is listed among the top ten states with the highest rate of Christians NOT registered to vote.

One of our Prayer Partners, Rev. Fritz Porter, whose life was changed by TBN when she received the Holy Spirit while watching the PTL program one evening, has been invited to speak at the National Jewish Fellowship Southeast Regional Ministry Conference in March, sponsored by the National Jewish Fellowship of the Assemblies of God. She is founder and chairman of the Atlanta Prophecy Conference and teaches about our God-ordained responsibility to Israel and the Jewish people. She has been to Israel numerous times.

Joy in Our Town

Our Joy in Our Town guests for the month included:

- Mayor Vanessa Fleisch fro, Peachtree City, Georgia.
- Mark Watson from the Georgia Department of Labor.
- Jennifer Smith from Beauty In Me, who spoke especially to teenage girls about healthy lifestyles.

Julie Haston (pictured, far right), WHSG's *Joy in Our Town* producer, went to Managua, Nicaragua on a missions trip with her school and had the opportunity to appear on Nicaragua's Enlace station. She was on their national broadcast talk show as well as a live national broadcast. When people learned that she was connected to TBN she had many opportunities to witness and also to hear testimonies of how much the people in that area of the world love TBN.

Pastor Appreciation

We had our Pastor Appreciation dinner Monday, February 15, with the theme that TBN is joining our heart with our pastors' hearts in appreciation, love, support, and prayer. We enjoyed a beautiful buffet of finger foods including wings, meatballs, sausage balls, and finger sandwiches. We also had a dessert and candy table.

Several pastors gave testimonies about how important TBN is to the church and community and WHSG's manager thanked all of the pastors for their wonderful support to our station. There were 260 pastors and wives in attendance. The evening ended with names being drawn for door prizes.

International *Praise the Lord*

Each month TBN Atlanta hosts international edition's of the Praise the Lord program. Our hosts this month were Perry Stone and Rod Parsley (pictured left). Additionally, we hosted Bob Gass (below) for two days of taping his inspirational spots that air on television station in Europe and Asia. Bob also taped a 90-minute TN Salsa *Praise the Lord* program.
